RFP ALSDE 2025-19
Alabama State Department of Education,

Section 1.00 Administrative Overview

1.1 Purpose and Background

Purpose: The Alabama State Department of Education (ALSDE) is seeking competitive, sealed proposals to establish a contract for continued implementation of the Career and Technical Education and Career and Technical Student Organization Master Plan.

This plan supports *Alabama Achieves*—the state’s roadmap for improving education—with a focus on the strategic priority of preparing students to be college, career, and workforce ready. CTSOs are a required and essential part of the CTE experience in Alabama, as all CTE teachers must lead a CTSO chapter. High-quality CTE and CTSO programs are critical to student success after graduation.

ALSDE, as the state charter holder for CTSOs, faces growing demands in managing operations, events, and programs for seven CTSOs and two CTE programs. Additional support is needed to meet these demands and expand impact across the state.

The goals of the Master Plan include:

- Centralizing coordination of CTE and CTSO initiatives
- Streamlining operations and shared CTSO efforts
- Expanding ALSDE’s capacity to support schools
- Strengthening leadership and curricular development

This strategy ensures sustainable growth, reduces administrative burden, and maximizes the effectiveness of CTSO managers and ALSDE staff. A successful implementation will contribute to a more unified, efficient, and workforce-ready education system.

Background:

“**Every Child. Every Chance. Every Day.**” is more than a motto—it reflects the mission of CTE and Workforce Development to prepare Alabama’s students for success in life and the workforce. We believe CTE and CTSOs are the most effective way for students to gain the essential skills needed to thrive.

CTSOs extend CTE by connecting students with real-world experiences through school, state, and national programs; business and community partnerships; and leadership development. They help students apply academic, technical, and employability skills aligned with the Career Clusters® Framework.

Alabama’s CTSOs, Associations and CTE Programs include:

- DECA (Emerging Leaders and Entrepreneurs)
- FCCLA (Family, Career, and Community Leaders of America)
- FBLA (Future Business Leaders of America)
- FFA (Agriculture Education)
- HOSA – Future Health Professionals
- JAG Career Association (Jobs for Alabama’s Graduates)
- JROTC (CTE program)
- SkillsUSA (Skilled Workforce)
- TSA (Technology Student Association)

The CTE and CTSO Master Plan, launched in 2016, outlines a 10-year strategy to expand student access and elevate CTSOs as Alabama’s leading soft skills development system. Since its inception, CTSO membership has grown from 75,000 to nearly 120,000 students—demonstrating the plan’s impact and continued relevance.

By submitting a proposal each supplier accepts and agrees to all conditions and requirements herein.

The ALSDE will make all decisions regarding evaluation of the proposal. The ALSDE reserves the right to judge and determine whether a request is compliant with and satisfactorily meets the requirements of the RFP.
