**Section 1.00 Administrative Overview**

**1.1 Purpose and Background**

**Purpose:**

The Alabama State Department of Education (ALSDE) is seeking proposals from eligible applicants to contract as independent mediators for special education dispute resolution under Part B of the *Individuals with Disabilities Education Act* (IDEA). The ALSDE will maintain a list of individuals who are qualified mediators, who are also knowledgeable in laws and regulations relating to the provision of special education and related services. Qualified mediators may also be called on to mediate cases for students who are gifted and talented.

**Background:**

The ALSDE requires qualified and impartial mediators who are knowledgeable in laws and regulations relating to the provision of special education and related services; and gifted services as appropriate. Mediators are expected to demonstrate integrity, impartiality, and professional competence.

**Those eligible to apply must:**

- Possess at least a master's degree from an accredited institution.
- Understand the provisions of the IDEA and state regulations pertaining to the IDEA.
- Possess the knowledge and ability to conduct mediation sessions in accordance with appropriate, standard practice, having completed a 20-hour mediation training program (including at least 2 hours of Alabama mediator ethics) or be willing to participate in a 20-hour ALSDE sponsored mediation training including mediator ethics, when the training is available, and gain relevant practice and experience.
- Possess the writing and/or technical skills to complete mediation agreements.
- Not be a person who is an employee of the ALSDE, or an employee or board member of an LEA in the state of Alabama.

- If licensed to practice law, must be in good standing and provide a certificate of good standing for all bars for which he/she is a member.
- If licensed to practice law, not be an attorney who has represented parties in any IDEA dispute, educational dispute, student discipline, and/or student activity in the five years preceding the proposal submission deadline and must not do so while serving as an IDEA mediator.
- If licensed to practice law, and a member of a firm, the attorney must apply in his/her individual capacity, not as a member of the firm, and must not use the resources of the firm in the performance of the supplier's work and responsibilities under this RFP.
- Have a primary or secondary residence in the State of Alabama that can serve as base for travel purposes.

(Note: Travel per diem according to state rules and regulations will be paid for participating in the mediator training. The 20-hour basic mediation training will be provided when available. Training availability could delay the process of becoming a qualified mediator and being placed on the ALSDE mediator roster.)

**Preference may be given to:**

- Individuals with a degree in special education or a related field, and/or five years of special education experience in a leadership role.  
and/or
- Individuals who are registered on the Alabama Center for Dispute Resolution mediator roster.

Compensation is based upon the following fee schedule, which is subject to periodic revision:

<b>Professional Fees</b>	
Assignment (includes compensation for assignment duties such as opening case, scheduling, preparation, and pre-mediation activities)	\$360.00
Initial mediation session (if completed)	\$1,200.00
For same-day cancellations or additional mediation session(s): \$150.00 per hour, with required time tracking log	
Travel to and from mediation: \$50.00 per hour, with required time tracking log	
(Average fee per case)	(\$1,700.00)

Payment for travel follows state and federal guidelines.

There is a \$2,400.00 reimbursement cap on professional fees for each assigned case (travel per diem and other costs, such as postal fees, are not included in the professional fee cap).

A mediator will not receive payment in excess of \$2,400.00 for his or her professional fees for an assigned case unless extraordinary circumstances exist with regard to a particular case.

A mediator may request an exception to the cap citing the rational for the existence of extraordinary circumstances.

Additional factors and considerations:

- Geographic distribution of suppliers may affect award selections.

Each Supplier must respond to the following questions:

**Best and Final Offers:**

The ALSDE may either accept a supplier's initial proposal by award of a contract or enter into discussions with suppliers whose proposals are deemed to be reasonably acceptable of consideration for award. After discussions conclude, a supplier may be allowed to submit a "Best and Final Offer" for consideration in a manner and method prescribed by the ALSDE. By submitting a proposal each supplier accepts and agrees to all conditions and requirements herein.

The ALSDE will make all decisions regarding evaluation of the proposal. The ALSDE reserves the right to judge and determine whether a request is compliant with and satisfactorily meets the requirements of the RFP. The ALSDE reserves the right to waive technical and other defects if, in its judgment, the interest of the ALSDE so requires. Any further information disclosed about the RFP during this process will be provided to all suppliers in a manner and method prescribed by the ALSDE.

**Rejection of Proposal:**

ALSDE reserves the right to reject any or all proposals it deems non-responsive, late in submission, or unsatisfactory in any way. ALSDE shall have no obligation to award a contract for work, goods and/or services as a result of this RFP.

**Qualified bidders aggrieved in connection with the solicitation of a contract may protest to the Chief Procurement Officer. *See generally* State of Alabama Department of Finance Administrative Code Regulations at Administrative Code Regulations.**

**Confidentiality:**

All information contained in the RFP is considered to be the exclusive property of the ALSDE. Recipients of this RFP are not to disclose any information contained within the RFP unless such information is publicly available. This RFP is provided for the sole purpose of allowing suppliers to respond to these specifications.

**Request for Proposal (RFP)**  
**RFP ALSDE 2026-05**  
**Alabama State Department of Education,**  
**Special Education Services**

**Selection Process:**

The ALSDE will select the supplier that provides the most technically sound and cost-effective proposal that best fits the needs of the ALSDE. Final selection of the successful supplier will not be based solely on cost. The supplier product will be evaluated primarily on the scope of the activities linked to associated costs as detailed in the RFP. RFPs will be reviewed to ascertain that minimum requirements have been met. The ALSDE reserves the right to conduct discussions with potential suppliers in order to clarify information contained in their proposals, but the ALSDE has no obligation to do so. This may include requesting a presentation of top finalists for final scoring. The supplier will provide notice to the ALSDE of any partnership with another firm to provide parts of the solution; however, the supplier must provide management of the partner and is responsible for all project performance. Any subcontractor or partner will be subject to the same vetting process as the supplier, and the supplier is responsible for ensuring that each subcontractor acknowledges and is contractually bound by the staffing plan and other commitments listed in this RFP.

Unless provided by law, nothing in this RFP shall be construed to create any legal obligation on the part of the ALSDE or any respondents. The ALSDE reserves the right, in its sole discretion, to amend, suspend, terminate, or reissue the RFP in whole or in part, at any stage. In no event shall the ALSDE be liable to respondents for any cost or damages incurred in connection with the RFP process, including, but not limited to, any and all costs of preparing a response to this RFP or any other costs incurred in reliance on this RFP. No respondent shall be entitled to repayment from the ALSDE for any costs, expenses, or fees related to the RFP. All supporting documentation submitted in response to the RFP will become the property of the ALSDE. Respondents may also withdraw their interest in the RFP, in writing, at any time, as more information becomes known. If, within the confines of this RFP, the contents of the RFP, including any intellectual property the supplier provides to the ALSDE as part of the RFP, is subject to Open Records Act laws and thus is subsequently in the public domain.

This RFP may be awarded to multiple suppliers.

**Intent to Award**

Division of Procurement will send out an intent to award to participating suppliers, defining the protest period. The CPO (Chief Procurement Officer) is the awarding authority and as such is a signatory on the agreement/contract.

**Disclaimer Notice:**

The ALSDE shall not be liable for any costs associated with the preparation of proposals or negotiations of a contract incurred by any party.

**Availability of Funds:**

It is expressly understood and agreed that the obligations of the ALSDE to proceed are conditioned upon the continued availability of funds that may be expended for these purposes.

**1.4 Conditions and Terms**

**Contract Terms:**

The ALSDE intends to execute an initial contract with Contractor for a period of up to two (2) years, with contract renewals equaling no longer than three (3) additional years, pending written agreement of the supplier and ALSDE dependent upon required state approvals, availability of funds, performance evaluations of the project and evaluation of the supplier's performance of the scope of work in section 2.1 of the RFP, at the full discretion of the ALSDE.
