MEMORANDUM

TO: City and County Superintendents of Education

FROM: Eric G. Mackey *EGM*
State Superintendent of Education

RE: Specialized Treatment Centers Memorandum of Agreement

The [Alabama Administrative Code Chapter 290-8-8](#) requires that a Memorandum of Agreement (MOA) be established between the Specialized Treatment Center (STC) and the Local Education Agency (LEA) where the STC is physically located. A copy of the signed agreement must be provided to the Alabama State Department of Education (ALSDE) each fiscal year.

To support collaboration between the LEAs and STCs in the MOA process, the ALSDE has provided a [fillable 2025-2026 MOA template](#) for student-centered planning for both parties. Once both parties have completed and agreed upon the MOA, upload the signed document to the Anvilar platform by August 30, 2025, to ensure it is in place for the new fiscal year beginning October 1, 2025.

If you have any questions or concerns, please contact Dr. Margaret M. Jones by email at stc@alsde.edu or by telephone at (334) 694-4994.
