**RE:** Interest in Pilot Testing of Remote Test Administration for the *ACAP Summative*

Yvette M. Richardson, Ed.D.  
District IV

In 2024, the Alabama State Legislature passed a law (Act 2024-209) to allow remote testing of students enrolled in Alabama's public virtual schools and programs on the state summative assessment in Grades 2-8. The week of October 27-31, 2025, the Alabama State Department of Education's (ALSDE) Student Assessment Section, with Data Recognition Corporation (DRC) as its partner, will pilot its procedures for the remote administration of the *ACAP Summative* assessment using the *ACAP Practice Test – Summative*. We are requesting volunteer virtual schools and programs to participate in this pilot study and help refine the procedures for application to the spring 2026 *ACAP Summative* administration.

Tonya S. Chestnut, Ed.D.  
District V

If you are interested in having your school or program participate in the pilot test, please complete the survey by clicking on the link provided below. The survey must be completed by September 15, 2025.
