RE: Asbestos Regulations

Please find attached a flyer from UA SafeState for a two-day training course on Asbestos Operations & Maintenance to be held July 29-30, 2026, at The University of Alabama. This additional class is being offered due to a high number of requests. Please take advantage of the training being offered to avoid penalties that can be levied by the Environmental Protection Agency (EPA).

If you have further questions, contact UA SafeState at the number and email listed in the flyer.
