State Superintendent of Education

RE: 2025-2026 Alabama Association of Colleges for Teacher Education Surveys

The Alabama State Department of Education (ALSDE), Office of Teaching and Leading, is soliciting stakeholder feedback for the 2025-2026 Employer Survey on New Teachers and its companion survey, the 2025-2026 New Teacher Survey on Educator Preparation. Both surveys will be launched on Wednesday, April 1, 2026, and will run through Thursday, April 30, 2026. The surveys were developed by the Alabama Association of Colleges for Teacher Education (ALACTE).

The purpose of the surveys is to provide feedback for the continuous improvement of educator preparation providers (EPPs) in Alabama. The EPPs are engaged in continuous improvement. This data will help them make the changes to ensure that they are preparing effective educators ready to perform the essential functions on day one. Your input will help them determine their focus areas for improvement. The annual ALACTE survey results are also used to prepare the annual EPP Report Card. Results from the survey will be reported to the public in aggregate form only; however, more detailed information will be provided to the EPPs. Individual teachers and employers will not be identified in the results. An Executive Summary of aggregated statewide results will be created and shared by the ALSDE. The survey links are attached for ease of access.

If you have any questions regarding any of the surveys, please contact Ms. Kimberly Mitchell at (334) 694-4601 or via email at kimberly.mitchell@alsde.edu.
