This correspondence is to provide information pertaining to training related to Accountability updates.

The District Accountability Coordinators Fall Training has been scheduled for Wednesday, September 16, 2026. The meeting will be held virtually through the TEAMS platform and will begin promptly at 8 a.m. and conclude by 3:30 p.m. For those unable to attend, the training modules will be placed within the Accountability Coordinator TEAMS Channel.

This training is designed to equip district personnel with current and updated information regarding Accountability. The objective of the training is to ensure all coordinators are fully informed and have access to recent updates to the federal and state accountability systems and resources in hopes of enabling effective implementation and clear communication within respective roles.

The following URL can be used to register for the training: [Register for Training](#). This training is limited to identified District Accountability Coordinators only. Registered participants will receive the meeting agenda and link by email prior to the training date. Meeting invitations and links are not to be shared or disseminated.

Lastly, please ensure that the District Accountability Coordinator role has been assigned to a staff member in the education directory portal. Accountability contact information will be used to communicate the review of accountability results, release of the report card, upcoming office hours, and important updates or announcements.
