MEMORANDUM

FROM: Eric G. Mackey *EGM*
State Superintendent of Education

RE: 2027 Health Education State Course of Study Committee Nominations

In January 2027, the Alabama State Department of Education (ALSDE) will begin working to review and revise the *2019 Alabama Course of Study: Health Education*. To accomplish this task, a State Course of Study Committee will be appointed.

As required by §16-35-1, *Code of Alabama 1975*, the Alabama State Board of Education appoints 21 of the 28 members of a State Course of Study Committee, and members serve for one year. The law also states that local boards of education, through superintendents, shall nominate persons qualified to serve on a State Course of Study Committee. Your assistance is requested in the nomination of K-12 educators for consideration of appointment to this committee.

Once appointed, the committee will convene to prepare the 2027 version of the *Alabama Course of Study: Health Education*. When this work is completed, the Health Education State Course of Study Committee recommends to the Alabama State Board of Education the standards in this content area for Alabama's K-12 public schools.

Membership on the Health Education State Course of Study Committee requires a commitment to attending meetings in Montgomery or Birmingham and collaborating with a diverse group of educational professionals and stakeholders. The ALSDE will reimburse travel and substitute expenses for members of the Health Education State Course of Study Committee.

In talking with potential appointees, it may be important to indicate the committee's meeting dates (**Enclosure A**) and the payment of per diem and mileage according to state rates (**Enclosure B**).

The Nominations Form is to be completed and signed by the LEA Superintendent using the online DocuSign PowerForm linked here. Before initiating this PowerForm, a best practice is to create a free DocuSign account ([DocuSign](#)). This will allow you (the originator) to track the envelope as it progresses through each assigned recipient. Account creation MUST occur prior to starting the PowerForm for the [Alabama State Course of Study Committee Nomination Form](#).

First, enter the name and email address of each person who will be assigned one of the signing roles listed below. Then, click on the “Begin Signing” button. A window will appear with a message prompting you to enter the validation/access code. Please note that if you fail the authentication twice, the envelope will lock, and you will need to contact Dr. Blake Busbin (blake.busbin@alsde.edu) to unlock the envelope. If you copy and paste the code, ensure that no extra spaces are copied and pasted into the textbox. After the validation/access code has been verified, you will be prompted to continue to enter the information required to complete the form.

Once all the required fields have been completed, you will be prompted to click the “Finish” button. Upon clicking the “Finish” button, the envelope will automatically be sent to the next signer until all signatures have been collected. Please note that during the electronic signing process, all signers will receive an email inviting them to sign the document.

To track an envelope, you MUST have created a free DocuSign account PRIOR to the submission of the envelope. To check the status of an envelope, you will log in to your DocuSign account. Access the “Manage” tab to track the envelope. It will show you the status of the envelope, such as whose signature has been collected and whose signature you may be waiting on.

For each person nominated, the law also requires that credentials and a summary of qualifications be submitted. Please provide the nominees with the weblink [2027 Health Education COS Committee Credentials Form](#) to complete information related to their education and work history. Please ensure that all forms are completed and submitted no later than **September 18, 2026**. Any questions regarding the nomination process may be addressed to Dr. Blake Busbin via email at blake.busbin@alsde.edu or by telephone at (334) 694-4768.

Course of study development involves a commitment of both time and effort; therefore, attendance at all meetings is essential. Proposed meeting dates (**Enclosure A**) are enclosed for your information and for those whom you nominate.
