ALABAMA STUDENTS APPLYING TO COLLEGE THIS WEEK WITH NO FEES!

Alabama College Application Week was started over ten years ago to increase the overall number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The *Cash for College FAFSA initiative, Alabama College Application Campaign and Decision Day* were combined into a single campaign (Alabama Goes to College) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees.
