MEMORANDUM

TO: City and County Superintendents

FROM: Eric G. Mackey
State Superintendent of Education

RE: Leveraging of Public School Funds (PSF)
Act No. 98-373

Any system that is interested in leveraging any portion of its FY21 Public School Funds for capital improvements must complete the enclosed form and return it to E. Perry Taylor, State School Architect, by October 23, 2020. If your system does not intend to leverage, or if your system has previously leveraged and does not intend to leverage any additional funds, please sign in the space provided below, scan and return this survey document to him.

For analysis purposes only, it is estimated that $100,000 pledged annually for 20 years will generate approximately $1.35M for immediate capital expenditures. Any multiple of $5,000 may be leveraged (not to exceed 80% of PSF allocation). If your system has previously leveraged and intends to leverage additional funds, the combined amount of funds to be leveraged may not exceed 80% of your PSF allocation.

As always, Perry will be glad to assist you concerning any matters relating to this activity. Please contact him via email at ptaylor@alsde.edu or by telephone at (334) 694-4602.
