The Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate in a Technical Education Program Area Approach for the 2020-2021 Scholastic Year

Application Part 1 of 2 and Summary of Requirements

The application process for the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate for the 2020-2021 Scholastic Year must be completed in conjunction with the superintendent of the Alabama county/city school system for which the applicant is to teach.

This form must be printed and submitted along with Form BT1.

Alabama State Department of Education
Educator Certification Section

5215 Gordon Persons Building
Post Office Box 302101
Montgomery, AL 36130-2101

Telephone: (334) 694-4557
www.alsde.edu/EdCert

The Alabama State Board of Education and the Alabama State Department of Education do not discriminate on the basis of race, color, disability, sex, religion, national origin, or age in their programs, activities, or employment and provide equal access to the Boy Scouts and other designated youth groups. The following person is responsible for handling inquiries regarding the non-discrimination policies: Title IX Coordinator, Alabama State Department of Education, P.O. Box 302101, Montgomery, AL 36130-2101, email: pss@alsde.edu
GENERAL INFORMATION

All requirements must be met for the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate prior to the date the application for the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate is received in the Educator Certification Section.

^A Required work experience in the technical education program area for which the certificate is sought must be completed within the time period outlined above and immediately prior to the date the application is received in the Educator Certification Section.

^B Required training and work experience in the technical education program area for which certification is sought must be completed within the time period outlined above and immediately prior to the date the application is received in the Educator Certification Section.

OCCUPATIONAL PROFICIENCY INFORMATION

1. Information about the Alabama State Department of Education (ALSDE) approved occupational proficiency assessments (test score, license, or credential) in the technical education program area(s) for which the certificate is sought may be obtained at Approved Occupational Proficiencies. Since occupational proficiency assessments are subject to change, applicants may review current requirements at Approved Occupational Proficiencies.

2. Occupational proficiency assessments are approved by the Alabama State Department of Education (ALSDE) at the ENTRY LEVEL and the MASTER LEVEL. The ENTRY LEVEL assessments meet requirements for the Bachelor’s Equivalent Technical Education 1 and the Bachelor’s Equivalent Technical Education 2 Certificates. The MASTER LEVEL assessments meet requirements for the Master’s Equivalent Technical Education 3, Master’s Equivalent Technical Education 4, and Sixth-Year Equivalent Technical Education 5 Certificates. MASTER LEVEL assessments may also be used to meet requirements for the Bachelor’s Equivalent Technical Education 1 and Bachelor’s Equivalent Technical Education 2 Certificates.

3. It is the applicant’s responsibility to know the occupational proficiency assessment(s) for his/her program area(s) which must be met prior to applying for a subsequent Degree Equivalent Technical Education certificate.
APPLICATION REQUIREMENTS AND CHECKLIST

An application packet for Alabama certification must include the items listed below:

- Supplement CIT with supporting documentation verifying United States citizenship or lawful presence in the United States.
- Application Part 1 of 2 (Supplement 1TB).
- Application Part 2 of 2 (Form BT1) including the personal data barcode page.
- A $30.00 nonrefundable application fee. Each additional certificate for which an applicant is determined to be eligible will require a $30.00 nonrefundable fee for issuance. Neither personal checks nor cash will be accepted.

- The fee must be paid by cashier’s check or money order made payable to the Alabama State Department of Education or through the Alabama State Department of Education Educator Certification Online Payment System, with a major credit card, at www.alabamainteractive.org/education (a $4.00 transaction fee will be applied).
- The cashier’s check, money order, or copy of the receipt verifying the confirmation number for the online payment must accompany the application packet.

- Background clearance based on a fingerprint review.

- Applicants may verify whether their Alabama State Bureau of Investigation (ASBI) and Federal Bureau of Investigation (FBI) criminal history background checks have been completed and whether they are suitable and fit to teach under state law at https://tcert.alsde.edu/Portal.
- Applicants for initial certification, additional certification, and certificate renewal who have not been cleared by both the ASBI and FBI through the Educator Certification Section of the ALSDE are required to be fingerprinted for a criminal history background check through the ASBI and FBI.
- Instructions regarding the fingerprint process are available through Gemalto Cogent at https://www.aps.gemalto.com/al/index_adeNew.htm or by calling (866) 989-9316.

- Occupational Proficiency

Options 1, 2, and 3 in the EDUCATION AND REQUIRED WORK EXPERIENCE section require a photocopy of the applicant’s currently valid score on the Alabama State Department of Education (ALSDE) approved occupational proficiency assessment (test score, license, or credential) in the technical education program area for which the certificate is sought. The current occupational proficiency requirements may be obtained at Approved Occupational Proficiencies. See the OCCUPATIONAL PROFICIENCY INFORMATION section of this form for additional information.

The score must have been attained prior to the date the application is received in the Educator Certification Section.

One of the following must be met by the applicant for issuance of the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate:

- The technical education program area of the applicant does not require or allow an NCCER test. The applicant must verify a currently valid passing score on the ALSDE approved ENTRY LEVEL or MASTER LEVEL occupational proficiency assessment; OR
- The technical education program area of the applicant requires an NCCER test OR an available optional ALSDE approved occupational proficiency assessment. The applicant must verify one of the following:
  - A currently valid passing score/license on an available optional ALSDE approved ENTRY LEVEL or MASTER LEVEL occupational proficiency assessment; or
  - The cut score established by NCCER which is included on the specifications available for each of the specific industry craft assessments; or
  - At least the minimum cut score on the NCCER industry specific craft assessment at the first and second level determined from the applicant’s score report which details the number of correct responses provided for each module assessed and specific to the industry craft.

NOTE: The minimum cut score will not be accepted for issuance of Degree Equivalent Technical Education Certificates above the Bachelor’s Equivalent Technical Education 2.

Options 4: See the EDUCATIONAL AND REQUIRED WORK EXPERIENCE section of this form.

- For each program area sought, indicate the appropriate ALSDE approved occupational proficiency assessment being submitted.

LEARN about the required CTE Basic Skills Assessments.

LOCATE a test center and the name of the contact person.
- Assessment registration can ONLY be done by calling the test center. The specific contact person for a test center should be contacted.

For SCORE REPORT SUBMISSION
(Please DO NOT submit scanned or paper score reports.)

An email will be sent to the test taker from the test center. The email will contain a score report with an Examinee ID. Once the email is received you will need to complete the following steps:
- Establish a MyWorkKeys personal account.
- Create a new account
  o Examinee ID required
- Complete required information and submit
  o An email containing your Activation Code will be sent to the email address you provided.
- Locate your Activation Code in your email
- Select link provided in your email
  o Enter Activation Code and submit
- Enter User ID and Password from your personal WorkKeys account.
- Locate Test Management Tab (located on the left side of the screen)
- Locate recent test(s) taken from last 90 days – Please note: ACT WorkKeys is unable to verify tests taken 90 days ago or beyond.
- Select “Share Test” for each assessment under the action bar
- Select “Yes”, agree to terms and submit
- Locate the “Public Share URL” on your screen (located directly above the test) and copy

- Create an email to be sent to CTE-EducatorCertification@ALSDE.edu.
- Paste the copied “Public Share URL” in your email and also include:
  o Your Legal First and Last name,
  o The last four digits of your social security number OR your entire TCH number, and
  o A statement confirming ACT® provided a link to the score report.

Example:
John Doe
SSN: 8523
I, John Doe confirm ACT provided this link for my WorkKeys test results.

For additional information regarding test registration or requirements, contact the Educator Certification Section at (334) 694-4557.
Individuals who are exempt from meeting the Basic Skills Assessment requirement are those who hold:

- A valid Specialty Area Career and Technical Certificate, a valid Alabama Professional Educator Certificate, or a valid Alabama Professional Leadership Certificate; OR
- At least a bachelor’s degree from a senior institution that was regionally accredited at the time the degree was earned; an official transcript must be submitted to the Educator Certification Section confirming the degree.

To document basic skills, passing scores on one of the following has been met:

□ Option 1: Submission of the applicant’s passing scores on the CTE Basic Skills Assessments administered through ACT WorkKeys® in Applied Math, Business Writing, and Workplace Documents. Assessments completed before July 1, 2019, WILL NOT be accepted. See above information on score submission. No scanned copies or paper copies of score reports will be accepted.

OR

□ Option 2: Electronic submission by the testing company, directly to the ALSDE, of the applicant's passing scores on the APTTP/AECTP/AECAP modified ACT WorkKeys® basic skills assessment in Applied Mathematics, Reading for Information, and Writing attained prior to September 1, 2017. If an applicant completed this assessment, scores should be on file with the Educator Certification Section. Although this assessment is no longer offered, individuals who passed all three portions can use the results to satisfy the basic skills requirement until August 31, 2022;

OR

□ Option 3: Electronic submission by the testing company, directly to the ALSDE, of the applicant’s passing scores on the Praxis Core Academic Skills for Educators (Core) basic skills assessment in Mathematics, Reading, and Writing attained prior to July 1, 2019. Information about requesting score reports for the Core may be found at Praxis Core.

Testing Options 1, 2, and/or 3 CANNOT be combined.

EDUCATION AND REQUIRED WORK EXPERIENCE

□ Documentation of education/required work experience:

- All education and work experience must be earned and completed prior to the date the application is received in the Educator Certification Section.
- All work experience required in Options 1, 2, and 3 must be in the technical education program area for which the certificate is sought.

Option 1: Less than a Bachelor’s degree and acceptable work experience:

□ Verification, on the applicant’s official transcript, of:
  □ Graduation from high school OR high school equivalency; OR
  □ Completion of a career and technical program at a postsecondary institution that was regionally accredited at the time the program was completed; OR
  □ An earned associate’s degree from a postsecondary institution that was regionally accredited at the time the degree was earned; AND

□ Verification that the applicant attained 5,400 clock hours (three years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the seven years immediately prior to the date the application is received.

Option 2: Bachelor’s or higher degree and acceptable work experience:

□ Verification, on the applicant’s official transcript of a bachelor’s degree or higher from a senior institution that was regionally accredited at the time the degree was earned; AND

□ Verification that the applicant attained 3,600 clock hours (two years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the five years immediately prior to the date the application is received.
Option 3: Acceptable work experience:
- Verification that the applicant attained 18,000 clock hours (ten years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below.

Option 4: Verification that the requirements in effect for the 2019-2020 scholastic year have been met. This option will only be available for the 2020-2021 scholastic year. All requirements must be met no later than June 30, 2021, and the application must be postmarked no later than June 30, 2021.

Documentation of required training/work experience:
- All training and work experience must be earned and completed prior to the date the application is received in the Educator Certification Section.
- All training and degrees required in Options B, C, and D must be in the technical education program area for which the certificate is sought.

Option A: Graduation from high school (or the equivalent of a high school diploma) and acceptable work experience:
- Verification, on the applicant’s official transcript, of graduation from high school OR photocopy of the applicant’s state certificate of high school equivalency; AND
- Verification that the applicant attained 10,000 clock hours (five years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the ten years immediately prior to the date the application is received.

Option B: Postsecondary career and technical certificate program and acceptable work experience:
- Verification, on the applicant’s official transcript, of completion of a career and technical certificate program from a postsecondary institution that was regionally accredited at the time the certificate was earned; AND
- Verification that the applicant attained 8,000 clock hours (four years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the seven years immediately prior to the date the application is received.

Option C: Associate’s degree and acceptable work experience:
- Verification, on the applicant’s official transcript, of an associate’s degree from a postsecondary institution that was regionally accredited at the time the degree was earned; AND
- Verification that the applicant attained 4,000 clock hours (two years) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the seven years immediately prior to the date the application is received.

Option D: Bachelor’s or higher degree and acceptable work experience:
- Verification, on the applicant’s official transcript, of a bachelor’s or higher degree from a senior institution that was regionally accredited at the time the degree was earned; AND
- Verification that the applicant attained 2,000 clock hours (one year) of acceptable work experience as outlined in the ACCEPTABLE WORK EXPERIENCE section below. The experience must have been completed within the three years immediately prior to the date the application is received.
ACCEPTABLE WORK EXPERIENCE

For the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate in a technical education program area, acceptable part-time or full-time work experience must have been attained by the applicant through one or more of the following and verified as indicated below and on Supplement CTV Career and Technical Education Employment Verification and/or Supplement EXP:

1. Work experience in business and industry as an employee in a compensated position in the technical education program area for which the certificate is sought, must be verified on Supplement CTV Career and Technical Education Employment Verification and with a notarized cover letter as prescribed on Supplement CTV.

2. Self-employment in business and industry in the technical education program area for which the certificate is sought, must be verified on Supplement CTV Career and Technical Education Employment Verification and with supporting documents as prescribed on Supplement CTV.

3. Teaching experience at the postsecondary level in the technical education program area, or in an area related to the technical education program area, for which the certificate is sought must be verified on Supplement EXP. The post-secondary institution must have been regionally accredited at the time the experience was earned.

4. Teaching experience at the secondary level, grades 6-12, attained prior to the 2021-2022 scholastic year, is only acceptable if using Option 4 in the EDUCATION AND REQUIRED WORK EXPERIENCE section. Work experience must be in the technical education program area for which the certificate is sought, and must be verified on Supplement EXP. This option will only be available for the 2020-2021 scholastic year. All requirements must be met no later than June 30, 2021, and the application must be postmarked no later than June 30, 2021.

RECORD OF EDUCATION and WORK EXPERIENCE

The section must be completed by the applicant. The applicant must document education and work experience.

□ Technical Education: Industrial Maintenance – Electrical and Instrumentation
□ Technical Education: Industrial Maintenance – Mechanical
□ Technical Education: Informatics
□ Technical Education: Innovations in Science and Technology
□ Technical Education: Integrated Production Technologies
□ Technical Education: Law Enforcement
□ Technical Education: Legal Services
□ Technical Education: Manufacturing
□ Technical Education: Marine Technology
□ Technical Education: Masonry
□ Technical Education: Network Systems and Computer Services
□ Technical Education: Plumbing
□ Technical Education: Power Equipment
□ Technical Education: Precision Machining
□ Technical Education: Programming and Software Development
□ Technical Education: Television Production
□ Technical Education: Welding
□ Technical Education: Working in Multicultural Environments: Korean

*These technical education program areas require verification of currently valid occupational proficiency for issuance of the Bachelor’s Equivalent Technical Education 1, Bachelor’s Equivalent Technical Education 2, Master’s Equivalent Technical Education 3, Master’s Equivalent Technical Education 4, and Sixth-Year Equivalent Technical Education 5 Career and Technical Certificates.

**For issuance of the Bachelor’s Equivalent Technical Education 1 and Bachelor’s Equivalent Technical Education 2 Career and Technical Certificates, one of the following is required:
- Verification of a currently valid passing score/license on an available optional (non-NCCER) ALSDE approved ENTRY LEVEL or MASTER LEVEL occupational proficiency assessment; or
- Verification of the cut score established by NCCER which is included on the specifications available for each of the specific industry craft assessments; or
- Verification of at least the minimum cut score on the NCCER industry specific craft assessment at the first and second level determined from the applicant’s score report which details the number of correct responses provided for each module assessed and specific to the industry craft.
My local board of education has authorized:

- me to employ the individual for whom this application is being submitted, OR
- the individual for whom this application is being submitted to teach in our system while remaining an employee of a business or governmental agency with which we have established a partnership, subject to the issuance of a valid Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate.

I understand the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate will not be issued for the applicant until all eligibility requirements have been met and background clearance has been received. I have established procedures for monitoring the applicant’s compliance with the requirements for issuance of subsequent Degree Equivalent Technical Education Career and Technical Certificates.

I understand the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificates are valid from the date of issuance through the remainder of the same scholastic year, and thereafter, for the next two consecutive scholastic years.

I have checked the current Subject and Personnel Codes on the Departmental Web site www.alsde.edu and the ALSDE Identity Management (AIM) Portal to ensure that the applicant is properly certified for each period/block of the day.

**I understand failure to assign the applicant properly will result in an out-of-field penalty assessment.**

I am verifying that a photocopy of this form, reflecting signatures, has been given to the applicant and that I have reviewed this document in its entirety for all-inclusive information pertaining to this approach.

**LEA Representative’s Initials: ________**

APPLICATION SUBMISSION and ATTESTATIONS

~I understand the Educator Certification Section is unable to determine eligibility for Alabama certification until all required application components have been received and reviewed. Additional information may be requested upon review of the file.

~I understand the submission of supporting documents ONLY (e.g., Supplement CTV) does not constitute making application for certification. Incomplete forms will delay the review of the file.

~I understand that I must meet all Alabama certification requirements in effect on the date the application is received in the Educator Certification Section. Since certification requirements are subject to change, current requirements may be viewed at Bachelor’s Equivalent 1.

~ I understand that APPLICATION FORMS AND SUPPORTING DOCUMENTS ARE NOT ACCEPTED BY FAX OR E-MAIL.

~I understand that I must thoroughly read all requirements of this certification approach (Supplement 1TB 07/2020).

~I understand the Bachelor’s Equivalent Technical Education 1 Career and Technical Certificate is valid from the date of issuance through the remainder of the same scholastic year, and thereafter, for the next two consecutive scholastic years and is nonrenewable.

~I understand issuance of each Degree Equivalent Technical Education Career and Technical Certificate in certain technical education program areas (indicated with an * in the RECOMMENDATION and AUTHORIZATION section of this form) requires verification of a currently valid passing score on the appropriate ALSDE approved ENTRY LEVEL (for the Bachelor’s Equivalent Technical Education 1 and 2 certificates) or MASTER LEVEL (for the Master’s Equivalent Technical Education 3 and above certificates) occupational proficiency assessment (test score, license, or credential). I also understand the passing score on the appropriate ALSDE approved occupational proficiency assessment must be attained prior to the date the application for a subsequent Degree Equivalent Career and Technical Certificate in technical education program areas indicated with an * in the RECOMMENDATION and AUTHORIZATION section of this form is received in the Educator Certification Section.

~I understand the Master’s Equivalent Technical Education 3 Certificate in certain technical education program areas requires either the cut (passing) score established by NCCER for the specific MASTER LEVEL NCCER test(s) or a currently valid passing score/license on an available optional ALSDE approved MASTER LEVEL occupational proficiency assessment. I have reviewed the chart in the RECOMMENDATION and AUTHORIZATION section of this form for the technical education program areas (indicated with a ##) which require this verification. For information on the current ALSDE approved occupational proficiency assessments, contact the Educator Certification Section at (334) 694-4557 or refer to Approved Occupational Proficiencies. If my technical education program area is one of the program areas indicated with a ##, prior to the date my application for the Master’s Equivalent Technical Education 3 Certificate is received in the Educator Certification Section I must have:

 o Earned the cut score (that is, the passing score) established by NCCER for the specific MASTER LEVEL NCCER industry craft assessment for my technical education program area; OR
 o Earned a currently valid passing score/license on an available optional ALSDE approved MASTER LEVEL occupational proficiency assessment for my technical education program area.

~I understand Option 4 under the EDUCATION AND REQUIRED WORK EXPERIENCE section of this form is only available for the 2020-2021 scholastic year. All requirements must be met no later than June 30, 2021, and the application must be postmarked no later than June 30, 2021.

~I understand that it is my responsibility to keep all personal data on file in the Educator Certification Section current.

~I understand that by affixing my signature to this document, I am certifying that true and correct information is being provided.

Date ___________________________ Signature of Applicant ___________________________
