(2) DETERMINING COST OF FOUNDATION PROGRAM. In determining the cost of the Foundation Program, the Legislature, based on the recommendation of the State Board of Education, shall proceed to find the following allowable costs for each local board of education: Teachers' salaries, fringe benefits, classroom instructional support, and other current expense. The rate per employee set by the Legislature for teachers' retirement and employees' health insurance shall be in effect for the entire fiscal year and shall not be increased by the Teachers' Retirement System or the Public Education Employees' Health Insurance Board, except by further action of the Legislature.

a. The Foundation Program allowance for salaries of teachers shall be determined as follows: The number of teacher units allowed in Section 16-13-232 for each local board of education shall be multiplied by the amount or amounts per teacher unit, which amounts shall be based on the average salaries for each major classification required by the operation of the State Minimum Salary Schedule established by the Legislature in the Education Trust Fund appropriation bill and adopted by the State Board of Education. In recommending to the Governor and the Legislature the State Minimum Salary Schedule the State Board of Education shall give due consideration to degree level, certification, and public education experience. Any teacher, including, but not limited to, a vocational education teacher, currently under contract in excess of 187 days shall not have the term or salary of his or her contract reduced as a result of this article.

b. The Foundation Program allowance for fringe benefits shall be determined by multiplying a uniform percentage times the amount of teachers' salaries allowed in paragraph a. above or by multiplying a fixed rate depending on the type of fringe benefit. The fringe benefits allowances shall include amounts for the employer's contribution for teachers' retirement, health insurance, Social Security, Medicare, unemployment compensation, personal leave, and sick leave. The fringe benefits allowance may include allowances for other fringe benefits as may be approved by the State Legislature. The State Legislature shall seek the input and advice of appropriate agencies and individuals in setting allowances. The Teachers' Retirement System and the Public Education Employees' Health Insurance Board shall recommend to the Legislature, on or before the first legislative day of each regular session of the Legislature, the rate for the following fiscal year. The Legislature shall set the rate in the annual appropriation bill.

c. The Foundation Program allowance for classroom instructional support shall be determined by multiplying a uniform amount times the number of teacher units allowed in Section 16-13-232. The uniform amount shall include allowances for library enhancement, classroom materials and supplies, professional development, and technology. The library enhancement appropriation shall be for K-12 Public School Library/Media Centers and is an absolute appropriation. Other expenditures may include book binding, repair, CD Roms, computer software, computer equipment, cataloging, audio-visual materials, newspapers, magazines, recordings, and video tapes. The uniform amount may include allowances for other classroom instructional support as may be approved by the State Board of Education. The Foundation Program allowance for classroom instructional support shall also include an allowance for textbooks which shall be...
determined on a per pupil basis. The number of pupils shall be determined by the number of pupils in average daily membership during the first 20 scholastic days after Labor Day of the preceding school year. The State Board of Education shall recommend to the Governor the amount for each cost factor included in classroom instructional support on or before December 1 of the current fiscal year for the ensuing fiscal year.
