<tr>
<td>I. Select a Career</td>
<td>Create interest in selecting careers by showing the movie trailer of, “The Pursuit of Happyness,” a true story of a person who did not give up on their dreams. Students respond to these short movie excerpts by writing an essay about their career dreams. Utilizing the Alabama Career Information Network - Kuder (ACPS) Interest Assessment results select a career pathway to pursue.</td>
<td>Movie Trailer: “The Pursuit of Happyness,” You Tube, <a href="http://www.youtube.com/watch?v=_xcZTtGweQ">http://www.youtube.com/watch?v=_xcZTtGweQ</a></td>
</tr>
<tr>
<td>a. Education Requirements</td>
<td>On the Alabama Career Information Network, use the tab labeled career planning, access the CareerOneStop Pathways to Success site (<a href="http://www.careeronestop.org">www.careeronestop.org</a>), What’s My Next Move. Guide to exploring careers online. Students complete the online activities: • What are my career interests? (Page 2) • Which careers do I want to explore? (Page 3) • Who’s doing what I want to do? (Page 4)</td>
<td>Career Pathway Portfolio Alabama Career Information Network, <a href="http://www.alcareerinfo.org">www.alcareerinfo.org</a></td>
</tr>
<tr>
<td>b. Job Outlook</td>
<td>Explore educational requirements for jobs at the <a href="http://www.careeronestop.org">www.careeronestop.org</a> What's My Next Move, Education and Training section. • Short Term Training • Certification • Apprenticeship • Community Colleges • Programs of Study - College This site emphasizes the importance of credentialing in your prospective career, Print the list of 5 job zones at <a href="http://www.mynextmove.org/explore/jobzones">www.mynextmove.org/explore/jobzones</a> for students to complete.</td>
<td>CareerOneStop Pathways to Success, <a href="http://www.careeronestop.org">www.careeronestop.org</a>, U. S. Department of Labor, American Job Center Network.</td>
</tr>
</tbody>
</table>
### c. Explore In-Depth

Continuing to update with professional development in this ever-changing world of work.

Students explore the **Go Build Campaign** about the value of learning a trade to dispel misconceptions about skilled labor.

Assign groups to investigate the skilled labor market in Alabama based on jobs outlook, earnings potential, and apprenticeship programs available. Share out.

Students use the website [www.offtocollege.com](http://www.offtocollege.com) to explore cost of attending college, whether it is a two year or 8 year program of study. Complete the worksheet underneath the tab Tools, College Cost Comparison Worksheet.

Alabama’s Hot 40 Jobs, Alabama Department of Labor, [www.labor.alabama.gov/lmi](http://www.labor.alabama.gov/lmi)

Alabama Career Network, [www.alcareerinfo.org](http://www.alcareerinfo.org)

### II. Employee Benefits and Incentives.

- **a. Medical Insurance**
- **b. Retirement Benefits**
- **c. Life Insurance**
- **d. Disability Insurance**

Students will research possible benefits available with the career pathway they have selected.

Keys to Financial Success, Federal Reserve Banks of Philadelphia and Delaware Council on Economic Education. Lesson 3.3 “Uncle Sam Takes a Bite: Forms, Forms, Forms.”

Copy handout: Exercise 7.1 “What Are All These Deductions from My Paycheck?”

Calculators for each student.

Invite a Human Resources director of a major business in your community to speak to the class about the employee benefits and incentives their agency provides.

Register each student in the Geni-Revolution site [www.genirevolution.org](http://www.genirevolution.org)

Information necessary is their age, and a

Students complete online Geni-Revolution Mission 2 and 3. The mission can be repeated if you choose but your score will not be improved. Save where
you get to in the mission to enter the site again without being penalized, if the class period ends.

Copy the note taking guide for the software presentation program.
Copy the worksheet reading a paycheck stub.
Copy the puzzle: Paychecks

### III. Disposable Income
- **Gross Pay**
- **Net Pay**
- **Payroll Taxes**
  - Federal
  - State
  - FICA

Complete the note taking guide for *Understanding Your Paycheck* software presentation.

Complete the worksheet how to read a paycheck stub.

Activity: Paychecks Puzzle

Utilize the website www.paycheckcity.com to compute federal, state, and FICA taxes for an authentic income based on your career choice to determine net income.

Students take the Jump$tart “Reality Check Quizz” at the website [http://www.jumpstart.org/](http://www.jumpstart.org/). Results will indicate hourly salary required for the desired lifestyle.

Discuss the following points about the quiz:
- Were your lifestyle choices more expensive than you anticipated?
- What choices could you have made that would have lowered your expenses?
- Are the occupations listed for you compatible with your educational goals?

### IV. Create a document

Students will create a database document utilizing advanced features (merging, sorting, filtering, and formulas) to illustrate calculations to obtain net pay deducting taxes, social security, and any insurance or retirement selected by the employee.

Alabama Learning Exchange ([http://alex.state.al.us/index.php](http://alex.state.al.us/index.php)), lesson “My Future Life: Let’s Get Real”, Worksheet to Compute Net Income can be used as an example of the type of information needed on the document to be created using database or it can be
Use online instructions to create a database document:
http://spreadsheets.about.com/od/datamanagementin
excel/ss/excel_database.htm

Instruct students to the website About.com, spreadsheets:
http://spreadsheets.about.com/od/datamanagement
inexcel/ss/excel_database.htm
for online instructions on how to create a database document.

Assessment of Learning

<table>
<thead>
<tr>
