MEMORANDUM

TO: County and City Superintendents

FROM: Eric G. Mackey
State Superintendent of Education

RE: FY 2019 General Purpose Financial Statements

The forms and instructions to be used in preparing Fiscal Year 2019 General Purpose Financial Statements (GPFS), which are due on or before November 1, 2019, are now available for download from the Alabama State Department of Education (ALSDE) website (www.alsde.edu, Offices, Office of Financial Management, LEA Accounting, Financial Statement). It is critical that all systems meet this deadline to enable the department to provide accurate data for state funding. In addition to the printed copy of all statements, the required financial data file must be submitted. The procedure for submission of financial data will require you to submit the file via the ALSDE website. Please note: the “preprocess” procedure checks for invalid coding only. Also, the “process” procedure will not complete its cycle if any invalid coding is detected. All invalid coding must be corrected and the file submitted through the “process” procedure. All critical edits must be corrected before the file is considered accepted. After November 2, all files should be submitted as “process.”

Additionally, the Financial Expenditure Report (FER) in e-GAP must be completed for the following grants: The FER should not be started until the financial file has been approved. Flexibility transfer amounts should reflect actual amounts.

Title I, Part A - Schoolwide
Title I, Part A - Targeted Assistance
Title I, Part D – Delinquent
Title I, Part C – Migrant
Title I, Part A – School Improvement
Title II, Part A – Teacher Training
Title III – English Language Acquisition
Title IV, Part A – Student Support and Enrichment Grant
Title V - Rural Education Initiative
IDEA, Part B
IDEA, Preschool
Career Technical Education – Basic
Title IV, Part B, 21st Century Community Learning Centers
Title IX, Homeless Education

Please download and review the documents listed below and follow the guidelines provided in order to minimize the need for corrections after the initial submission of the statements. The LEA Accounting Section will make every effort to have the Financial Statements approved by January 31, 2020. Please make every effort to ensure that the data submission is accurate and complete in order to meet this goal. Inaccurate or incomplete information could result in reduced state funding for Fiscal Year 2021 and/or delay disbursement of FY 2020 funds.

Required forms and attachments to the General Purpose Financial Statements are as follows:

1. Financial Statement - Cover page (must be signed by the superintendent and notarized.)
2. Exhibits F-I through F-III (and F-IV through F-VI, if applicable) - The reports printed from your financial budgeting and reporting software should satisfy this requirement.

Additionally, pledged revenues include any local revenues restricted, earmarked, or committed by statutory provision, constitutional provision, or board covenant that are pledged or imposed by formal action of the board of education or other authorizing body of government. Do not include the local revenues designated as the Foundation Program Local Matching Funds in the Annual School Budget.
