Education Agency:	<b>Vestavia Hills City</b>
Special Education Coordinator:	<b>Mrs. Deborah Hargrave</b>
Focused Monitoring Date:	<b>March 19-22, 2012</b>
Special Education Services Team Leader:	<b>Mrs. Clare Ward</b>
Special Education Services Data Analyst:	<b>Mrs. Courtney Utsey</b>

The Continuous Improvement Process is a blend of compliance monitoring and improving outcomes for students. During Phase I of the Continuous Improvement Process, a designated number of student files were reviewed to verify compliance with state and federal requirements.

Based on Phase I review, a Corrective Action Plan (CAP) is developed. The CAP is implemented by the Local Education Agency (LEA) and compliance is ensured by the Alabama State Department of Education (ALSDE).

The purpose of this report is to provide feedback to the agency in identifying findings of noncompliance that must be corrected as soon as possible, and in no case later than one year from identification of noncompliance. The report also identifies the corrective action that must be taken by the agency as well as the documentation that must be submitted to the ALSDE. In addition, the report informs the agency of the steps the ALSDE will take in order to ensure 100% correction of noncompliance with the statutory requirement(s).

The Focused Monitoring Report will include the following:

- FINDINGS OF NONCOMPLIANCE
- IMMEDIATE CORRECTION STRATEGIES
- IMPROVEMENT STRATEGIES
- DOCUMENTATION OF CORRECTIVE ACTION

**Steps to be taken by the ALSDE to ensure compliance with the Statutory Requirements**

1. For each Immediate Correction Strategy (30-day item), the ALSDE will review corrections on line.
2. Sixty calendar days from the date the LEA received notification of the status of the immediate correction strategies, a random sample of updated data will be pulled and reviewed. The education agency must show 100% correction of noncompliance before SES is allowed to clear/close out the focused monitoring process. If the same findings are identified during the review of updated data, the education agency will not show 100% correction of noncompliance and Step 3 will be taken.
3. Twenty calendar days from the last review of new/updated data, a random sample of new/updated data will be pulled and reviewed. The education agency must show 100% correction of noncompliance before SES is allowed to clear/close out the focused monitoring process. If the same findings are identified during the review of updated data, the education agency will not show 100% correction of noncompliance and Step 4 will be taken.

4. Ten calendar days from the last review of new/updated data, a random sample of new/updated data will be pulled and reviewed. The education agency must show 100% correction of noncompliance before SES is allowed to clear/close out the focused monitoring process. If the same findings are identified during the review of updated data, the education agency will not show 100% correction of noncompliance and the ALSDE will determine what enforcement procedures will be considered.

**Enforcement Procedures:**

1. The Special Education Coordinator will receive a call from the Program Coordinator of Special Education.
2. A letter will be written to the Superintendent outlining the seriousness of correction of noncompliance.
3. A Compliance agreement will be implemented.
4. The Superintendent will be directed to come to the ALSDE and meet with the Director of the Office of Learning Support, Program Coordinator of Special Education, Focused Monitoring Administrator, and the Focused Monitoring Team Leader.
5. Withholding of funds procedures may be implemented.
