Virtual Schools Assurance

STEP-BY-STEP INSTRUCTIONS
Log into eProve Diagnostics
https://eprovediagnostics.advanced-ed.org/diagnostics/

If you do not have an eProve Log-in, contact your LEA technology coordinator or email customercare@advanced-ed.org
Select your district from the drop-down menu
Click on the hamburger menu

Then click on Content Library.
The Virtual School Assurances are found under the **My Content** tab, along with other Alabama specific assurances.
Beginning an Assurance

Click on the three buttons next to the Virtual School Assurance.

Select “Start a diagnostic with custom content.”
Name your diagnostic: example – Center County Virtual School 2019-20

Assign access to the diagnostic to anyone in your LEA who may need to complete it.

Click “Open Diagnostic.”
Answer each question for the virtual school in your LEA.

Select the appropriate answer.

If yes, upload the evidence in the Attachments section at the bottom of the diagnostic.

If no, explain your answer in the comment box.
Attachments are uploaded at the end of the diagnostic.

Attachments

Upload a file or enter a url for an external link related to your responses. File size is limited to 10 MB. Standard document, image, spreadsheet, and presentation files are acceptable. Please no audio or video files at this time.

+ Add Attachment
Each LEA with a virtual school is required to complete the Virtual School Assurance.

By completing the assurance, the Superintendent and LEA leaders are certifying that the content is true, complete and accurate.

The assurance must be completed prior to August 1 of each school year.
