Date: 04/08/19
To: All High School Carpentry and Building Construction Instructors
From: Bryan Upton, Cluster Specialist
RE: State Cabinetmaking Contest

**Tools Furnished by Student:**
- Brad Gun with 1” nails
- 1” Diameter Forstner Bit
- (2) Kreg Clamps
- 6” square headed impact bit #2
- Wood glue
- (3) 12” squeeze Clamps
- Electric Orbital Sander with 80, 120, 180 grit sand paper
- Wood putty
- Putty Knife

These tools are extra for the project. You will also need to bring all the tools that are in the technical standards for SkillsUSA Cabinet-making.
