What is Discrimination?

Discrimination is defined as different treatment which makes a distinction of one person or a group of persons from others; either intentionally, by neglect, or by the actions or lack of actions based on six protected classes: race, color, national origin, sex, age, or disability.
Six Protected Classes

- Race
- Color
- Sex
- Age
- National Origin
- Disability
A civil right assurance is incorporated in all agreements between the state agency and the contractor/sponsor in order to ensure that

**ALL children** have access to the child nutrition program.

Agreements between sponsors and facilities also include civil rights assurances.
All sponsors in Child Nutrition Programs must display the non-discrimination poster in a prominent area where participants and potential participants have access and train their staff annually.
