eGAP 2020

1. Use the checklist provided.

2. The planning side must match the budget grid. Put funding codes with dollar amounts in the planning side.

3. Action steps should not be a list of purchases.

4. Must have goals, strategies, and action steps.

5. Each action step must include a MOA statement.

6. Read both assurances on the assurance box.

7. Reference the allowable uses in the Perkins V Operational handbook.
