

Alabama Accountability Act (Alabama Act 2015-434)

Districts have been notified if they had at least one school identified as being in the bottom 6% of schools across the state based on stated standardized assessments.

Schools that appear on this list should have notified their parents by March 1, 2019 of this status.

Parents will have until May 1, 2019 to return a student transfer form to the local school system for the 2019-2020 school year. This will give districts and schools the opportunity to properly evaluate the potential impact of student transfers on the educational services planned for that school year.

Questions concerning tax credit eligibility and scholarship opportunities should be directed to the Alabama Department of Revenue (ADOR) at 334-242-1099.
