

PARENTAL SCHOOL CHOICE INFORMATION

Alabama Accountability Act (Alabama Act 2015-434)

Districts have been notified if they had at least one school listed on the Alabama Accountability Act list of Failing Schools. Schools were identified as failing if they were in the bottom 6% of schools across the state based on stated standardized assessments.

Schools that appear of this list should notify their parents by **January 1, 2020** of this status.

Parents will have until **March 1, 2020** to return a student transfer form to the local school system for the 2020-2021 school year. This will give districts and schools the opportunity to properly evaluate the potential impact of the student transfers on the educational services for that school year.

Questions concerning tax credit eligibility and scholarship opportunities should be directed to the Alabama Department of Revenue (ADOR) at 334-242-1099.
