Alabama School Bus Driver Physical Examination Report

Alabama Act 2012-372 and the Rules of the Alabama State Board of Education mandate that a person must be "physically qualified" to operate a school bus "transporting students to and from school or school-related events." The purpose of this physical examination is to detect the presence of physical and/or mental defects of such a character and extent as to affect the driver's ability to safely perform the required duties of a school bus driver in normal and/or emergency circumstances. **A waiver may be granted for any condition noted (marked "yes") in the Report, if the physician documents, in Section V of this Report, that the condition will not adversely affect the driver's ability to control and safely operate a school bus.**

Directions:
 This form must be completed and signed by a duly licensed physician and the driver. The original copy must be filed in the superintendent's office of the employing local board of education. The board of education may, at their discretion, issue a certificate of compliance to their drivers. Certificates of compliance are available on the Alabama State Department of Education, Pupil Transportation web site at www.alsde.edu or by calling 334-694-4545. **Physical Examination Reports are valid for two years from examination date, unless a shorter period is specified by the examining physician.**
