**Law, Public Safety, Corrections and Security Cluster Program Guides**

This cluster prepares high school students for careers in the law and public safety field in four pathway areas: Correctional Services, Emergency and Fire Management Services, Law Enforcement, and Legal Services. Rigorous instruction is provided to equip students with knowledge and skills needed in preparation for credentials, articulated credit, and/or further education.

**Courses highlighted in yellow are shared with other clusters.** See “Shared Courses” table on page 2 for additional details.

### Emergency and Fire Management Services Program

(Must teach three courses from this program list within two years)

This program is for students who are interested in pursuing careers in emergency and fire management services. Courses provide students with information regarding career possibilities in firefighting, including instruction in application of firefighting techniques, emergency medical profession, and specialized public service jobs. Topics include forcible entry; tactical ventilation; fire control; loss control; fire origin and cause determination; firefighter survival; hazards, behavior, and identification of hazardous materials and weapons of mass destruction; and hazardous material operations, product control and personal protective equipment. Students who successfully complete Fire Science I and II and pass the certification tests will earn 160 of the 360 hours required to complete Alabama Fire College Firefighter I and II certifications.
