LEA Name: \_\_\_\_\_

LEA Code: \_\_\_\_\_

### I. Purpose

The purpose of this form is to collect the required information necessary for the Alabama State Department of Education (ALSDE) to verify that each local education agency (LEA) is in compliance with the demonstration requirements regarding Supplement, Not Supplant (SNS) under the Elementary and Secondary Education Act (ESEA), as reauthorized by the Every Student Succeeds Act of 2015 (ESSA). To ensure all LEAs in Alabama meet these requirements, each LEA must submit the following:

- (a) An assurance stating the LEA is in compliance with the provisions of section 1118(b) of the Elementary and Secondary Education Act (ESEA), as reauthorized by the Every Student Succeeds Act of 2015 (ESSA);
- (b) An indication of the type of methodology the LEA has adopted and is implementing in regard to the allocation of Foundation Program and local funds (non-Federal) to all schools; and,
- (c) A narrative description of the methodology *or* a reference to the LEA's Financial Transparency document in which the methodology is described.

*Note: The LEA is required to provide the demonstration requirements to ALSDE **one time** for the duration of the Title I, Part A program under ESSA, unless the LEA adopts or implements a revised methodology for allocating Foundation Program and local funds (non-Federal) resources. Upon adoption or implementation of a revised methodology, it is incumbent upon the LEA to provide an updated demonstration of compliance form to the Federal Programs Office within the Alabama State Department of Education.*

### II. Instructions

**Every LEA must submit an executed Supplement, Not Supplant Demonstration of Compliance before eGAP applications will be approved for the 2018-2019 school year. Section 1118(b)(1)** LEAs may submit the materials required for demonstration on or before September 14, 2018, 2018. **The LEA must submit the executed form no later than September 14, 2018.**

A copy of this form must be duly executed by the LEA Superintendent of Education and submitted and uploaded to the document library upon submitting the required materials. ALSDE will verify the information provided to ensure the LEA is in compliance with ESSA requirements.

If the LEA is unable to provide the narrative description or reference in section (c) during the demonstration time frame, the LEA must alternatively submit a plan to ALSDE detailing how the LEA intends to come into compliance and will then be required to resubmit the demonstration requirements.
