PACKING INSTRUCTIONS FOR ALABAMA STATE DEPARTMENT OF EDUCATION SAMPLES

There are no set requirements for packing samples for delivery to the Alabama State Department of Education. However, keep in mind that your representatives will be responsible for moving and unpacking boxes from the hall of the third floor of the Gordon Persons Building to the adjacent room where samples will be displayed. It is suggested, therefore, that you label the boxes clearly and keep the weight of boxes between 25 to 50 lbs. Representatives will be responsible for breaking boxes down so they are flat for proper disposal. Shelving dates are from Monday, March 25 – Friday, March 29, 2019.
