Rules, standards, directives, and memoranda written prior to adoption of these Rules are invalid and shall not be used to determine the application of these Rules. These Rules shall apply to all individuals whose applications for certification have a receipt date of on or after May 1, 2016, unless otherwise noted throughout this chapter.
   (b) Unless otherwise provided by law, the educator certification Rules in this chapter shall be the sole authority by which certification is administered. Additional information on the certification authority of the State Superintendent of Education is in Rule 290-3-2-.04.
   (c) Certificates issued by another state, DoDEA, or another certificate issuing authority may not be validated as the authority of their holders to teach in Alabama schools.

(d) Effective no later than the beginning of the fall 2008 semester, any candidate applying for admission to a State-approved teacher education program shall be required to be fingerprinted for a criminal history background check through the Alabama Department of Education to the Alabama Bureau of Investigation (ABI) and the Federal Bureau of Investigation (FBI) pursuant to Act 2002-457.

1. The candidate shall be fingerprinted by the approved third party contractor designated by the Alabama Department of Education who has been trained to take acceptable fingerprints, submit the required nonrefundable and nontransferable fee, and authorize the Alabama Department of Public Safety to conduct a criminal history background check and allow the release of any criminal history information to the Alabama Department of Education.

2. The candidate shall be issued a suitability determination from the State Superintendent of Education. The candidate must provide the designated official of the teacher education unit documentation of having cleared the criminal history background check prior to admission to a State-approved teacher education program.

3. A candidate whose suitability determination precludes admission to a State-approved teacher education program has the right to due process procedures in accordance with Rule 290-3-2-.04, Revocation and Suspension of Certificates and Unsuitability Determinations.

(e) After such time that all current employees have been fingerprinted for a background check, any individual who submits an application for additional certification or for the renewal of a certificate, and who has not completed a background check shall be required to be fingerprinted by the approved third party contractor designated by the Alabama Department of Education who has been trained to take acceptable fingerprints, submit the required nonrefundable and nontransferable fee, and authorize the Alabama Department of Public Safety to conduct a criminal history background check and allow the release of any criminal history information to the Alabama Department of Education.
(f) A background clearance shall also be required of an applicant or current employee who completed a background check for certification/licensure purposes prior to July 1, 2002, but no longer has those prints on file due to the lapse of the certificate or license or because the individual was not eligible for a certificate or license.

(g) When the Alabama State Superintendent of Education has reasonable suspicion that an individual who holds a certificate or license issued by the Alabama State Board of Education or is a current public employee has been convicted of a felony or a misdemeanor other than a minor traffic violation or has been guilty of immoral, indecent or unbecoming behavior, that individual shall be subject to a background clearance through a fingerprint review. In such case, the individual will not be responsible for the required fee. A letter of notification from the Alabama State Superintendent of Education regarding the intent to conduct a review will be sent to the individual. The individual shall be fingerprinted by the approved third party contractor designated by the Alabama Department of Education who has been trained to take acceptable fingerprints and authorize the Alabama Department of Public Safety to conduct a criminal history background check and allow the release of any criminal history information to the Alabama Department of Education. (h) No local employing board or nonpublic school shall hire an applicant who may have unsupervised access to a child without first obtaining a criminal history background information check, except on a temporary emergency basis. In the event that this exception is used and a position is filled by the employer due to exigent circumstances, the applicant so employed may be placed on payroll until such time as a criminal history background information check on the employee is completed as prescribed in Act 2002-457.

(9) **Alabama Educator Certification Assessment Program (AECAP).** The statewide testing program required by the Alabama State Board of Education.

(a) Applicants must meet the AECAP requirements in effect at the time the application is received in the Educator Certification Section.

(b) Additional information regarding AECAP requirements may be found in the Rule for each approach as prescribed in this chapter and on the Departmental website.

(c) Only electronic score reports submitted directly from the testing service to the Alabama State Department of Education will be accepted.
Components of the AECAP are:

1. Basic skills assessments from the ACT WorkKeys System (Applied Mathematics, Reading for Information, and Writing). The requirements for the basic skills assessments became effective January 1, 2003, as a precondition for initial certification. Effective September 1, 2013, successful passage of the basic skills assessments became a precondition for unconditional admission to a Class B program or an Alternative Class A program. The basic skills assessments are also a precondition for selected State-approved approaches. Additional information regarding the basic skills assessments may be found on the Departmental website and on the ACT website. Effective April 17, 2019, Praxis Core was rescinded as a requirement for unconditional admission to an Alternative Class A program. Effective June 11, 2020, Praxis Core will no longer be required for unconditional admission to a Class B program.

2. Praxis II tests from Educational Testing Service (ETS). The requirements for the Praxis II tests became effective April 14, 2005, as a precondition for initial certification in any teaching field or area of instructional support. Additional information regarding the Alabama prescribed Praxis II tests can be found on the Departmental website and on the ETS website.

3. Effective September 1, 2018, a performance assessment. The performance assessment, administered by Pearson, will be required for initial certification in a teaching field or area of instructional support.
