FY22-2007
I. Purpose of Grant

The Alabama State Department of Education (ALSDE) is committed to providing, “Every Child. Every Chance. Every Day.” To support our schools and educators in this collective effort, the ALSDE is providing a competitive grant opportunity—Creating High Achieving Networks and Cultivating Excellence (CHANCE)—to encourage schools in activities and practices that focus on creating educational opportunities to implement innovation.

Eligible schools must fall into one of the following categories:

- Comprehensive Support & Improvement (CSI)
- Additional Targeted Support & Improvement (ATSI)
- Graduation Rate/Career Readiness Gap (GRCRG)

The CHANCE Competitive Grant focuses on incorporating evidence-based activities and practices outlined in the Every Student Succeeds Act (ESSA). Recipients will be innovative change agents who are eager to provide new opportunities for Alabama students.

II. Funding

The CHANCE Competitive Grant will support innovative approaches to meeting schools’ needs by creating a flexible pool of funding that encourages transformative and sustainable ideas. Approved grants may be fully or partially funded. Several factors will determine the size of the awards—review of submitted applications, potential scope of the project, projected cost for implementation, available funds, and greatest promise for positive impact. While multiple awards are anticipated, most will be in the $75,000-$100,000 range annually, with some as high as $750,000, over a three-year period, contingent upon meeting annual benchmarks.

The application deadline is Thursday, November 18, 2021. Applicants must submit an electronic copy signed by the principal and superintendent to CHANCEapps@alsde.edu. Due to the competitive nature of this grant, the deadline for applications will not be extended.

Contact Information

FAQs can be viewed here on the CHANCE Competitive Grant page. If you have additional questions, please submit them to CHANCEapps@alsde.edu by October 29, 2021. Answers to submitted questions will be added to the FAQs no later than November 1, 2021.

It is imperative that goals are Specific, Measurable, Attainable, Relevant, and Time-bound (SMART), and plans are aligned with the expected project impact. More information of this process will be made available once the grant has been awarded and accepted.

Finalists may be asked to participate in an interview before funds are awarded. Applicants will be contacted if such information or actions are necessary.
VI. Project Award and Timeline

The ALSDE shall review approved applications, amendments, and revocation processes, if necessary, involving grant funds. The ALSDE has the responsibility to monitor all grant recipients to ensure that all applicable fiscal and programmatic goals are achieved.

**Plan Details**

1. The ALSDE will approve innovative status each year, for up to three (3) years. If a school loses its eligibility (no longer CSI, ATSI, or GRCRG), the ALSDE will establish a timeline and exit procedures that minimize academic disruptions. If a school gains eligibility (identified as a new CSI, ATSI, or GRCRG), the ALSDE may re-open the application to newly eligible schools for the life of the grant.
2. After annual approvals, schools shall be monitored by the ALSDE for progress and continued support during the three-year term.
3. Applicants must submit a three-year budget and address sustainability.

**Renewals**

Renewals will be made on a school-by-school basis and will be contingent on the recipient’s ability to do the following:

- Implement the terms of the grant
- Meet the benchmarks collaboratively developed by the school and the ALSDE
- Provide evidence of impact
- Meet all reporting and monitoring requirements

**Reporting Requirements for Grantees**

Recipients will submit semi-annual progress reports to the ALSDE. The update will include a detailed description of how the project goals were met, as well as any challenges that were encountered. Additionally, the final evaluation will include:

- Impactful deliverables—data to support research, planning, and implementation by the school—that align directly to the grant’s identified need(s)
- An explanation of sustainable practices—how partnerships functioned including strengths and challenges, if applicable

Innovative Approach
Part D: Budget and Budget Justification

Budget Information: Provide an itemized budget. The budget and budget justification do count toward the five (5)-page limit for the project description and narrative and must match with the goals and objectives of the proposal. A competitive budget is one that will provide the ALSDE with a complete financial picture of the proposed project and reflect all the anticipated costs of the project.

The budget and budget justification must be for SY 2022, SY 2023, and SY 2024. Budgets are reviewed to verify if the costs are reasonable and necessary to carry out the proposed project and if it conforms to the purpose of CHANCE.

Format: Applicants are encouraged to develop a budget grid; however, depending on the objective(s) of the grant, an applicant may choose a different format. In either case, applicants must provide an itemized and coherent budget based upon the needs identified in the grant.

Budget Justification: Provide a detailed budget justification. Include rationale for proposed costs.

Part E: Sustainability

CHANCE Competitive Grant mandates that applicants create a preliminary sustainability plan to show how their plans will continue after CHANCE Competitive Grant funding ends. The sustainability should include collaborative partnerships that will contribute to developing a vision and plan for financial capacity to support, and eventually sustain, the program after the three-year grant funding ends. The plan must include a specific description of the investments (time, capital, contributions, etc.) that each partner will make to the program. The sustainability plan should be a fluid document and expands throughout the life of the program. This plan should be continually updated, easily assessable, and available for inspection by the ALSDE.

Scoring Criteria

Each criterion is weighted. We offer the following as a guide to assist you.
SCHOOL ASSURANCES

Applicant assures that its application does not contain any request to waive the following Title I, Part A, or ESSA General Assurances:

**Title I, Part A**

The LEA plan for the implementation of Title I, Part A was developed in consultation with teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, charter school leaders (in a local educational agency that has charter schools), administrators (including administrators of programs described in other parts of this title), other appropriate school personnel, and with parents of children in schools served under this part.

The LEA has a plan for assisting schools to develop capacity to comply with program operation and for providing additional educational assistance to students needing help to achieve state standards, including: The use of schoolwide programs; Steps to ensure that both schoolwide program and targeted assisted program schools have qualified staff (Section 1112); Assessments results are used by schools and teachers to improve achievement (Section 1112); and School choice and supplemental education services options (Section 1111).

The LEA has a Parent and Family Engagement policy and plan as required in Section 1116 and ensures that all requirements in Section 1116 and 1112(e), Parents' Right-to-Know, are implemented systematically.

The LEA has a strategy for ensuring that children served by Title I, Part A, will be taught the same knowledge and skills in all subjects and held to the same academic achievement expectations as all children.

The LEA will ensure annual assessment of English language proficiency for all limited-English proficient students.

The LEA will ensure that assessment results are promptly provided to schools, teachers, and parents.

The LEA will ensure that each school the local educational agency proposes to serve will receive all the State and local funds it would have received in the absence of funds received under Section 1003 A.

**ESSA General Assurances**

Each ESSA program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.

The LEA will assure the control of funds provided under each ESSA program and title to property acquired with program funds will be in a public agency, an eligible private agency, institution, or organization, or an Indian tribe, if the law authorizing the program provides for assistance to those entities.

The LEA will administer those funds and property to the extent required by the authorizing law.

The LEA will assure adoption and use proper methods of administering each ESSA program, including—The enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each ESSA program; The correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation; and The adoption of written procedures for the receipt and resolution of complaints alleging violations of law in the administration of the programs.

The LEA will assure cooperation in carrying out any evaluation of each ESSA program conducted by the ALSDE or other federal officials.
The LEA will use fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, Federal funds paid to the LEA under each ESSA program.

The LEA will make reports to the ALSDE as may be necessary to enable the ALSDE to perform the required duties under each ESSA program.

The LEA will maintain such records, provide such information to the ALSDE, and afford such access to the records as the ALSDE may find necessary to carry out the ALSDE’s duties.

Before the plan or application was submitted to the ALSDE, the LEA afforded a reasonable opportunity for public comment on the plan or application and considered such comment. Parents with students in schools served under Title I, Part A, have been afforded the opportunity to submit written dissenting views or opinions as an attachment to the LEA Consolidated Application.

The LEA will assure there are no policies or procedures that prevent, or otherwise deny participation in, constitutionally protected prayer in public schools as set forth in Title VIII, Section 8525 of ESSA and Guidance on Constitutionally Protected Prayer in Public Elementary and Secondary Schools.

The LEA will assure systematic compliance with requirements of the Family Educational Rights and Privacy Act (FERPA) and the Protection of Pupil Rights Amendment (PPRA) under 20 U.S.C., Section 1232(g) and 1232(h), respectively.

The LEA will assure systematic compliance with the Title VIII, Section 8528, requirement that secondary schools make student directory information available, upon request, to military recruiters unless parents of those students have opted out of providing such information.

The LEA will ensure that all federally funded preschool programs comply with standards established under 641 A (a) of the Head Start Act, if applicable.
