PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Students were assessed using IReady, Dibels, and Scantron Express. Data meetings and RtI meetings have been held for each grade level on a monthly basis to track student progress and alter learning plans. These results have guided our planning for the delivery of instruction in order to fill in learning gaps and recover learning loss as a result of Covid-19. As part of the preparation for student return, buildings will need to be cleaned and sanitized on a regular basis. Continual cleaning will occur throughout the year. Faculty and staff will need PPE (personal protective equipment) to maintain a safe environment.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Talladega County Schools will offer Summer School to our students. There is an in-person component as well as a virtual component for those students who are below grade-level. Credit recovery options are also available for our secondary students. Pre and Post-test assessments will be given. At the start of the 2020-2021 school year, targeted instruction will meet the individual needs of students, including small group intervention, one-on-one intervention, and transition classrooms. All students who were on Tier 2 or Tier 3 RtI will begin the year on those tiers along with the learning accommodations they were accustomed to prior to our school closures.

What is the LEA's proposed timeline for providing services and assistance to students and staff?

Services began March 16, 2020 with the purchase of additional cleaning supplies and technology supplies to support distance learning. This will continue on a larger scale beginning July 2020 and continuing through September 2021. Additional supplies and supports may be available as needed through September 2022.

How will the LEA use ESSER funds to promote remote learning?

Devices and hotspots will be provided to all students in need. Online curriculum and ebooks will be provided for instruction, assessment, and support for elementary and secondary students.

3. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving ESSER funds will provide equitable services to students and teachers in non-public schools as required under Section 18005 of Division B of the CARES Act.
- The LEA receiving ESSER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA, as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that it will maintain control of funds for the services and assistance provided to a non-public school
- The LEA will ensure that it will have title to materials, equipment, and property purchased with ESSER funds.
- The LEA will ensure that services to a non-public school with ESSER funds will be provided by the LEA directly, or through contract with, another public or private entity.

Provide a brief explanation of the following: How will equitable service funds be used by the private schools? How will timely and meaningful consultation occur with private schools? What is the proposed timeline for services and assistance to be implemented by private schools?

One private school is within the LEA attendance zone. Certified mail was sent on May 27, 2020 to this organization. A phone call was placed on June 2, 2020. No message was left because the mailbox was full. Cobby Smith, chief administrator of County Line Christian Academy, called back and was informed of the CARES Act funding and the letter that was mailed. She stated that she would pick it up from the post office. She said she would contact me later that week. I reminded her that I needed to hear from her by June 5. She never contacted me after that conversation. While conversing with her, she stated that the school is a homeschool and that she is only the liaison for parents.
