PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Survey instruments sent to parents and teachers to determine how to serve students this Fall. Buses with Wi-Fi will be strategically placed within the City of Pelham for virtual learning capabilities. Will send needs assessments to teachers to determine their instructional needs. Looked at 19-20 mid school year data to determine what students and teachers would need to continue improving teaching and learning remotely. Because Pelham City Schools is requiring students to wear masks, purchase of a student picture ID system will be purchased so all students may be easily identified (for security purposes).

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Assessments at the beginning of the school year to determine where students are academically. Kindergarten assessments will look at both social/emotional needs and academic proficiency. For Grades 1-12, will do diagnostics screening in reading and math. Edgenuity has pre-assessments for every unit so we can determine where all students are academically. Before and after school tutoring will be provided to students identified as requiring additional academic assistance.

Purchases of PPE, sanitizers, and additional cleaning equipment and supplies began in April and will continue as supplies need replenishing. Deep cleaning completed and air/water purification systems installed prior to staff and students returning to buildings. Funds will be expended by September 30, 2022.
