How will the LEA determine the most important educational needs as a result of COVID-19?

The district determined the most important educational needs for the 20-21 school year based on staff/teacher survey results due to the spring 2020 COVID-19 school closure. Based on these survey results, the expenditures in the itemized budget were determined, which includes the following items: 1) Technology Coordinator with benefits; 2) Custodians with benefits; 3) Janitorial Supplies; 4) ChromeBook Cases & Charging Stations; 5) Virtual Teachers with benefits, EL Translator with benefits; 6) Transportation Costs; 7) Maintenance Supplies; 8) Elevation K-12; 9) Telephone services for communication; 10) Professional Development - MANDT, Mental Health/First Aide, Google Classroom, Zoom, Webpage, & PowerSchool; 11) SchoolStatus - Parent Communication; and 12) iPads.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

The district used staff and parent surveys (Summer 2020) to determine learning gaps and educational disruptions that occurred during the COVID-19 school closure. We will assess and address student learning gaps resulting from the disruption in educational services by providing distance learning and virtual professional development for our teachers and students. We will also ensure consistent communication with parents, teachers, staff, and students to make sure that everyone is 'on the same page' concerning plans and expectations. In addition, a deep-cleaning will be completed prior to students/staff returning to the school buildings.
