PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Randolph County Schools has conducted and continues to conduct needs assessments with Google Forms surveys of students, parents, and school employees; progress monitoring assessments; classroom grades; and discussions with teachers, counselors, and administrators. Randolph County Schools will follow the Alabama Department of Education, Alabama Department of Public Health, Randolph County Health Department and Centers for Disease Control guidelines where appropriate.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

During the summer, students in grades K-1 who have the greatest deficits in reading will be provided summer intervention from our RCBOE Reading Specialists. All students in grades K-2 will receive books to encourage reading practice. When students return to school, they will be given a STAR assessment to determine what areas of intervention are needed. Intervention plans will need to be made by classroom teachers to remediate students on standards not achieved while still providing appropriate grade level instruction.
