The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

**2. Allowable Service(s) Assurance**

*The LEA Superintendent or his/her authorized representative assures or certifies that:*

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

**How will the LEA determine the most important educational needs as a result of COVID-19?**

Thomasville City Schools conducted surveys with parents, teachers, administrators and a need assessments to determine the needs of the students and support teachers in providing instructions. Interviews from parents indicated that internet service was a problem and their child would have benefitted from having a teacher explain their assignments through videos. Teachers indicated a need for more training on teaching and providing services for students during COVID-19.

**How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?**

Thomasville City Schools will identify learning gaps resulting from the disruption in educational services (COVID-19) by giving a diagnostic assessment to all students upon returning to school to measure if any skills were lost and to determine the instructional level needed. STAR Early Literacy will be given to grades k-8 and Scantron Performance Series will be given to students in grades 9-12. After-school tutoring will also be provided for students who lost skills during school closure and those "AT RISK".
