PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance
<i>The LEA Superintendent or his/her authorized representative assures or certifies that:</i> The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education does not consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.
How will the LEA determine the most important educational needs as a result of COVID-19?
Cherokee County Schools will conduct a needs assessment by collecting input from a variety of stakeholders regarding the educational needs of the system as a result of COVID-19. Discussions at the local school and system level will identify how students will be affected by school closures and extended absences from school and what supports will be of greatest benefit for students.
How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?
Student learning gaps will be identified using diagnostic screeners such as DIBELS, STAR Math and STAR Reading. As learning gaps and at-risk students are identified, academic interventions and supports will be provided to reduce academic deficiencies. Supports for students' learning in a virtual or blended format have also been deemed necessary for a proactive approach to reducing potential learning gaps.
