The needs include: Student/staff devices, health and sanitation measures, cleaning and staffing needs, student intervention software, non capitalized equipment, technology support, non instructional supplies, communication services (hotspot services), capitalized furniture and fixture (outside tables for social distancing), venue contracts, and mailing postage.

Performance Series Express, DIEBELS, and ACT data from midyear will be used to determine the lowest performing standards in ELA & Math as well as individual student needs. Data will also be utilized to design summer learning for students.
