Enter the LEA ID, as reported on the FNS-742, for each LEA with at least one school eligible to participate in CEP.  Entering duplicate LEA IDs will result in an error and the duplicate cells will be highlighted in red until corrected.  Yellow cells will clear once data is entered.	Enter the name of each LEA, as reported on the FNS-742, with at least one CEP-eligible school.  Yellow cells will clear once data is entered.	Enter the district-wide ISP as of April 1 of the current year. ISP = # of identified students divided by total enrollment. Enter the ISP as a percentage rounded to two decimals. Ex: 62.50% If using the FNS-742 to complete this column, note that data reported in Section 3 of the FNS-742 (Students approved as free eligible not subject to verification) does not include the corresponding data for students in CEP schools. For a more accurate count of the # of identified students at the LEA-level, States are encouraged to combine the total # of students reported in Section 3 of the FNS-742 for that LEA plus the LEA-level data submitted for inclusion in Data Element #3 of the State-level FNS-834 (The # of SNAP children in CEP schools and non-base-year Special Provision schools).  DONOT INCLUDE THE 1.6 MULTIPLER  An ISP greater than 100.00% will result in an error and the cell will be highlighted red until corrected. Yellow cells will clear once data is entered.	(ISP in column 3 is >=40%).	An "X" will appear in this column if the LEA in column 2 is nearly eligible to participate (EP.  (ISP in column 3 is >=30% and <40%).	Place an "X" in this column 1 is the LEA in column 2 is currently participating in CEP in at least one school.  Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	participation and is eligible for a Grace Year. (ISP >=30% and <40%) Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon		or 6), enter the total # of students enrolled at the LEA (denominator of ISP).		If the LEA in column 2 is currently participating in CEP (there is an "X" in column 6), enter the # of students enrolled at all CEP schools. This is the sum of the total # of students enrolled in all CEP schools entered in column 10.  A yellow cell in this column indicates missing enrollment data. Enter the total # enrollment in all CEP schools to clear the cell color.	in column 2 is participating in CEP district-wide, then the # of schools entered in column 8 should match the # of CEP	An "S" will appear in this column if ONE or SOME, but not all, schools in the the LEA in column 2 are participating in CEP. If the LEA in column 2 is participating in CEP in one or some schools, then the # of schools entered in column 8 should be more than the # of CEP schools entered in column 8 should be more than the # of CEP schools entered in column 10.
