

STATE OF ALABAMA  
DEPARTMENT OF EDUCATION

Eric G. Mackey, Ed.D.  
State Superintendent of Education

June 1, 2022

**MEMORANDUM**

**TO:** City and County Superintendents of Education

**FROM:** Eric G. Mackey *EGM*  
State Superintendent of Education

**RE:** Early Years Reading and Math Assessments

**Approved Assessments:** The Early Years (EY) assessment systems are to be used by teachers for monitoring the reading and math progress of Grades K-3 students, so that there is a timely adjustment of instruction and intervention for all students. The early assessment systems also assist schools in meeting annual screening and reporting requirements of the *Alabama Literacy Act*, Section 16-6G-1, *et. seq.* (Ala. Code 1975). Likewise, in the upcoming implementation years ahead, the early assessments may assist schools in meeting requirements of the *Alabama Numeracy Act*, Act 2022-249.

The Alabama Literacy Task Force (LTF), a standing task force created by the *Alabama Literacy Act*, made its annual recommendation of the EY reading assessments for the 2023-2024 school year.

\* *The 2023-2024 reading approved lists are the result of a [2022 RFP process](#) in which multiple early assessment systems were submitted for consideration by the LTF. The LTF reviewed reading assessment proposals for compliance with the Alabama Literacy Act and only recommended the two reading assessments listed above. Any reading assessment vendors not approved under [Alabama State Department of Education \(ALSDE\) RFP 2022-04](#) may request additional information from the ALSDE regarding their individual submission and, if additional information arises, they may remedy and resubmit their proposal for review by the LTF by December 3, 2022. Thereafter, the ALSDE would republish the 2023-2024 approved reading list should any assessment systems be added upon re-evaluation by the LTF.*

The approved lists for the 2022-2023 school year are a continuation of the original early assessment Request for Proposal (RFP) process by the ALSDE in 2020. The 2022-2023 school year will be the final year of the approved list under resulting from RFP.

**Funding and Allocations:** The EY assessment system ETF funds will be allocated to local education agencies (LEAs) on a \$6 per-pupil basis (Grades K-3) for reading and math. Therefore, early assessment funds will be allocated to LEAs at \$12 per pupil. The per-pupil allocation will be based on the Fiscal Year (FY) 2021 Average Daily Membership (ADM). Allocations are attached. The fund source is 1262 (Major Program 0055, Program 54-20300).

Second payment - July 2023	Second payment - July 2024

**Selection Process:** LEAs will contract with the approved assessment system(s) of their choice. Each school **must select, administer, and report data** from one **reading** and one **math** assessment from the approved list. To assist with that selection, vendor information, assurances, and pricing (which will remain the same through 2022-2023) are available by [clicking here](#). Updated vendor information, assurances, and pricing for the 2023-2024 school year will be forthcoming. Questions about individual LEA contracts should be directed to vendor representatives listed in the attachments.

Each LEA will submit the vendor’s name for each school in its district that houses K-3 no later than **June 15, 2022**. [Click here for the Early Years Assessments Selection Form](#).

**Kindergarten Entry Assessment (KEA):** The Alabama Kindergarten Inventory of Developing Skills (AlaKiDS) assists LEAs in the identification of each kindergarten student’s readiness level in independent skills and abilities. Executive function skills are assessed within academic learning environments using an inventory that includes research-based prompts. This process allows kindergarten teachers to assess groups of children at one time. For more information about AlaKiDS, click here <https://children.alabama.gov/alakids/> or contact Mrs. Karen Rutledge-Bell, Alabama Reading Initiative, by email at [krbell@alsde.edu](mailto:krbell@alsde.edu) or by telephone at 334-694-4638.

**Assessment Windows and Reporting Deadlines:** The ALSDE and assessments vendors have streamlined the data reporting process. Vendors will provide reports that will be directly and securely imported into PowerSchool, alleviating much of the burden of data reporting on the LEAs while also safeguarding the accuracy of the data. The LEAs will also directly upload specific data to which vendors do not have access into a secure portal. Instructions for this process will be forthcoming.

*\*\*Consult with vendors prior to setting the assessment calendars for your LEAs, as vendors may have preferred dates within these windows. The ALSDE recommends 12 weeks of instruction between assessments when possible.*

**Training Opportunities—AlaKiDS:** The Alabama Reading Initiative (ARI) is working with Teaching Strategies to offer AlaKiDS sessions to new and returning kindergarten teachers and school administrators with kindergarten on their school campus through the Alabama Regional Inservice Centers in the summer of 2022. ARI Regional Literacy Specialists will provide training to kindergarten teachers who are not able to attend summer training. LEAs may also organize individualized training with vendors based on their specific timelines and needs.

If you have questions, please contact Mrs. Bonnie Short, Alabama Reading Initiative, by email at [bonnie.short@alsde.edu](mailto:bonnie.short@alsde.edu) or by telephone at 334-694-4632; or Dr. Nickey O.
