DEPARTMENT OF EDUCATION

State Superintendent of Education

July 20, 2022

**MEMORANDUM**

**TO:** County and City Superintendents  
**FROM:** Eric G. Mackey *EGM*  
State Superintendent of Education  
**RE:** Public Hearings - Proposed Budgets

In order to comply with *Code of Alabama (1975)*, Section 16-13-140, the Alabama State Department of Education (ALSDE) has developed standardized forms to be used in presenting your system's FY 2023 proposed budget at the required public hearings. Your system's FY 2023 budget is due to the ALSDE no later than September 15, 2022; therefore, please make every effort to hold both of the required hearings prior to submitting your budget to the ALSDE.

The supplemental forms for each cost center are available at the following link: Alabama LEA Accounting - Alabama State Department of Education (alabamaachieves.org). You will need to complete the required information from your records. All other forms and instructions are available on the ALSDE website ([www.alabamaachieves.org](http://www.alabamaachieves.org)) at Teachers and Administrators, LEA Accounting. Click on the "Budget Hearings" category for a list of available documents, including the following:

- (1) Requirements for Budget Hearings and Instructions for Completing Forms. This is a brief summary of the required information that must be available at the hearing and the corresponding form to be used to present this information.
- (2) Proposed Budget Forms. The allocation information required is provided for each school site cost center. This report should be generated by your accounting software.
- (3) Response to Review of Proposed Annual Budget. This form is for the general public's use to respond in writing to their review of the proposed annual budget. It is recommended that the proposed budget be made available 24 to 48 hours prior to the meeting in order to give the public time to review the information.

The forms indicated above will provide the minimum information as required by law. We have also provided additional documents that you may wish to include to provide additional information at the hearings that you feel would be of interest to the public or to further explain the budget presented.

If fractional Foundation Program units are to be assigned to other schools, you must complete the Assignment of Fractional Units form and make this information available at the budget hearings.

These forms are not to be submitted to the ALSDE after completion, but should be retained for audit purposes. Questions may be directed to Barry Kachelhofer or to your assigned accountant at (334) 694-4617.
