**FROM:** Eric G. Mackey *EGM*  
State Superintendent of Education

**RE:** Virtual School Assurances on Cognia's eProve Diagnostics Platform

In the 2022-2023 school year, systems that have a virtual school must complete the Virtual School Assurances in Cognia's eProve Diagnostics Platform. According to Act 2015-89, *Virtual School Act*, school systems are required to ensure that online providers of virtual courses are accredited by a recognized accreditation entity, and it is essential that the courses contain the required content as identified in the applicable Alabama Course of Study. Additionally, virtual schools are required to abide by federal education statutes including the *Individuals with Disabilities Education Act (IDEA)*, Section 504 of the *Rehabilitation Act of 1973*, and Title II of the *Americans with Disabilities Act (ADA)*.

The Virtual School Assurances should only be completed by systems with a virtual school that earns foundation units and has enrollment. Brick and mortar schools that offer virtual programs or virtual courses do not need to complete the assurances. Each system that has a virtual school should complete the assurances on or before November 15, 2022.

For instructions on how to complete the Virtual School Assurances, please go to the following link at: [Completing Virtual School Assurances in eProve](#).
