RE: 2022 Regional Lead Nurses Trainings - **REVISED**

The Alabama State Department of Education (ALSDE) is pleased to announce the 2022 Regional Lead Nurses Training for lead school nurses, designated registered nurses (RNs), and nurse supervisors. You are strongly urged to send your lead school nurse, designated RNs, and nurse supervisors to this training. This training will provide updates for new legislative laws, and existing laws that are pertinent to standards of nursing practice, delegation of medications, new protocols, and curriculums to support chronic illnesses in the school setting. Information on the new Alabama Seizure Safe Schools Curriculum will be shared for implementation at the start of the 2022-2023 school year.

This training will provide continuing education units (CEUs) required by the Alabama Board of Nursing (ABN) for the renewal of the nurse’s professional licensure. A total of 4.0 CEUs will be awarded at the end of the training.

The training will begin at 8:30 a.m. and conclude at 1:30 p.m., with registration beginning at 8 a.m. Please see the attached training dates and locations to determine the best date and location for your lead nurse.

If you should have any questions, please contact Dr. LaBrenda Marshall, Nurse Manager, at 334-694-4725 or by email at lmmarshall@alsde.edu.
