COURSE TITLE: Buying and Selling Real Estate

Course Description:
Buying and Selling Real Estate is designed to build on the foundation provided in Introduction to Real Estate Sales. This course emphasizes aspects of buying, selling, and financing land, real property, and real estate; the listing of a client’s property; developing client relationships; following procedures for listing, buying, and selling real estate; understanding contract terminology; staging of real estate; and showing property to clients. Laboratory experiences are an integral part of this course and may include field trips, job shadowing, internships, and other related activities.

Potential Certifications/Credentials:
Adobe Certified Associate (ACA) – Photoshop / Dreamweaver / Premier Pro / InDesign / Illustrator, ASK Institute – Concepts of Entrepreneurship and Management, ASK Institute- Fundamental Marketing Concepts, Certiport – Entrepreneurship and Small Business (must hold concentrator status), IC3 Global Standard 6 (or higher), Certified Guest Service Professional, National Retail Federation – National Professional Certification in Customer Service and Sales

Unit Plans of Instruction

Unit 1: Foundational Standards

Supporting—will be taught throughout the course as needed for the unit.

F1. Incorporate safety procedures in handling, operating, and maintaining tools and machinery; handling materials; utilizing personal protective equipment; maintaining a safe work area; and handling hazardous materials and forces.

F2. Demonstrate effective workplace and employability skills, including communication, awareness of diversity, positive work ethic, problem-solving, time management, and teamwork.

F3. Explore the range of careers available in the field and investigate their educational requirements, and demonstrate job-seeking skills including resume-writing and interviewing.

F4. Advocate and practice safe, legal, responsible, and ethical use of information and technology tools specific to the industry pathway.

F5. Participate in a Career and Technical Student Organization (CTSO) to increase knowledge and skills and to enhance leadership and teamwork.

F6. Discuss and demonstrate ways to value diversity.
Unit 2 Title: Financing

Content Standards
1. Identify and explain basic concepts and terminology associated with buying and selling real estate.
   Examples: equity, loan-to-value ratio, term, payment, principal, interest, direct and indirect costs, points, discounts, return on investment, rate of return

2. Compare methods of financing real estate.
   Examples: government programs (FHA, VA); conventional, owner-financed, land contract
   2a. Gather and share information on types of loans used in buying real estate.
       Examples: amortized, interest-only, adjustable-rate mortgage, construction, home equity
   2b. Contrast mortgages, trust deeds, and promissory notes as financing instruments.

3. Calculate costs and fees involved in buying and selling real estate.
   Examples: discount points, equity, down payment, property tax, prorations, commission and commission splits, seller’s proceeds of sales, buyer’s funds needed at closing

4. Create and deliver a presentation outlining the real estate financing process from application to closing.

Unpacked Learning Objectives

Students know:
● The basic concepts and terminology associated with buying and selling real estate.
● Methods of financing real estate.
● Information on types of loans used in buying real estate.
● About mortgages, trust deeds, and promissory notes as financing instruments.
● The costs and fees involved in buying and selling real estate.
● How to prepare a presentation outlining the real estate financing process from application to closing.

Students are able to:
● Analyze basic concepts and terminology associated with buying and selling real estate.
● Describe basic concepts and terminology associated with buying and selling real estate.
● Determine methods of financing real estate.
● Collect information on types of loans used in buying real estate.
● Report information on types of loans used in buying real estate.
● Differentiate between mortgages, trust deeds, and promissory notes as financing instruments.
- Compute costs and fees involved in buying and selling real estate.
- Compose a presentation outlining the real estate financing process from application to closing.
- Present a presentation outlining the real estate financing process from application to closing.

**Students understand that:**
- Knowledge of basic concepts and terms helps to better understand the process.
- Real estate financing is generally used to describe an investor’s method of securing funds for the purchase of property.

| Unit Driving/Essential Question | What are the methods of financing real estate?  
|                               | What are the types of loans used in buying real estate? |
| Exemplar High Quality Unit Task | With a guest speaker real estate agent, students will go through the process of buying a house. |

Key Vocabulary

- equity, loan-to-value ratio, term, payment, principal, interest, direct and indirect costs, points, discounts, return on investment, rate of return, financing, real estate, government programs, fha loans, VA loans, conventional loans, owner-financed, land contract, types of loans, amortized, interest-only, adjustable-rate mortgage, construction, home equity, contrast mortgages, trusts, deeds, promissory notes, financing instruments, costs, fees, buying, selling, discount points, equity, down payment, property tax, prorations, commission, commission splits, seller's proceeds of sale, buyer's funds, closing, application process, closing

Work-Based Learning, Simulated Work Experiences, and Experiential Learning:

- Guest speaker

CTSO Connection:

- Prepare for FBLA and/or DECA competitive events. www.teachfbla.org  www.teachdeca.org

Certification/Credential Connection:

- Adobe Certified Associate (ACA) – Photoshop / Dreamweaver / Premier Pro / InDesign / Illustrator, ASK Institute – Concepts of Entrepreneurship and Management, ASK Institute- Fundamental Marketing Concepts, Certiport – Entrepreneurship and Small Business (must hold concentrator status), IC3 Global Standard 6 (or higher), Certified Guest Service Professional, National Retail Federation – National Professional Certification in Customer Service and Sales
Unit 3 Title: Contracts

Content Standards

5. Research and describe components of the code of ethics that governs Realtors® and real estate agents.

6. Research the laws that govern the real estate industry and describe the importance of legal compliance for a real estate agency or brokerage company.
   *Examples: contract clauses, amendments, addenda*

7. Analyze applicable contracts, agreements, and forms for a real estate purchase.

8. Analyze clauses and contingencies in land, real property, and real estate contract negotiations.
   *Examples: offers, purchase agreements, counter-offers, multiple offers*

Unpacked Learning Objectives

**Students know:**
- The components of the code of ethics that governs Realtors® and real estate agents.
- The laws that govern the real estate industry and describe the importance of legal compliance for a real estate agency or brokerage company.
- The applicable contracts, agreements, and forms for a real estate purchase.
- The clauses and contingencies in land, real property, and real estate contract negotiations.

**Students are able to:**
- Investigate the components of the code of ethics that governs Realtors® and real estate agents.
- Identify the components of the code of ethics that governs Realtors® and real estate agents.
- Examine the laws that govern the real estate industry and describe the importance of legal compliance for a real estate agency or brokerage company.
- Examine applicable contracts, agreements, and forms for a real estate purchase.
- Examine clauses and contingencies in land, real property, and real estate contract negotiations.

**Students understand that:**
- The REALTOR® Code of Ethics ensures that consumers are being fairly served by requiring REALTORS® to cooperate with each other in furthering clients' best interests.
- State and federal laws and regulations protect people from discrimination when they are renting or buying a home, getting a mortgage, seeking housing assistance, or engaging in other housing-related activities.
- Real estate contracts are essential in the execution of real estate transactions, and they are designed to protect both parties.
- Contingencies are vital to your closing because they eliminate any confusion over who will pay for what, and allow a legal way for one or the other party to cancel the agreement.

Unit 4 Title: Sales Process

Content Standards
9. Summarize state and federal rules and regulations that govern selling and buying real estate, including trust and escrow accounts, federal fair housing laws (protected classes, prohibited conduct, and exemptions) and the ADA (Americans with Disabilities Act).
9a. Research and share information regarding the passage and implementation of the Fair Housing Act.
9b. Gather and share information about ways fair and equal access to housing affects intergenerational mobility, including quality of educational opportunities, access to jobs and economic opportunity, and the ability to build wealth through home equity and home appreciation.
10. Comply with advertising regulations, including provisions regarding truth in advertising and fair housing issues.
10a. Use technology ethically.
   Examples: protecting confidential information, respecting the Do Not Call list
11. Analyze advanced licensing options and continuing education requirements for Realtors® in order to maintain professional license to do business.
12. Demonstrate the licensee’s tasks involved in the sales process from the beginning through closing.

Unpacked Learning Objectives

Students know:
● The state and federal rules and regulations that govern selling and buying real estate, including trust and escrow accounts, federal fair housing laws (protected classes, prohibited conduct, and exemptions) and the ADA (Americans with Disabilities Act).
● Information regarding the passage and implementation of the Fair Housing Act.
● The ways fair and equal access to housing affects intergenerational mobility, including quality of educational opportunities, access to jobs and economic opportunity, and the ability to build wealth through home equity and home appreciation.
● Advertising regulations, including provisions regarding truth in advertising and fair housing issues.
● How to use technology ethically.
● Advanced licensing options and continuing education requirements for Realtors® in order to maintain professional license to do business.
● The licensee’s tasks that are involved in the sales process from the beginning through closing.

Students are able to:
● Examine state and federal rules and regulations that govern selling and buying real estate, including trust and escrow accounts, federal fair housing laws (protected classes, prohibited conduct, and exemptions) and the ADA (Americans with Disabilities Act).
● Gather information regarding the passage and implementation of the Fair Housing Act.
● Report information regarding the passage and implementation of the Fair Housing Act.
Collect information about ways fair and equal access to housing affects intergenerational mobility, including quality of educational opportunities, access to jobs and economic opportunity, and the ability to build wealth through home equity and home appreciation.

Report information about ways fair and equal access to housing affects intergenerational mobility, including quality of educational opportunities, access to jobs and economic opportunity, and the ability to build wealth through home equity and home appreciation.

Interpret advertising regulations, including provisions regarding truth in advertising and fair housing issues.

Apply technology ethically.

Examine advanced licensing options and continuing education requirements for Realtors® in order to maintain professional license to do business.

List the licensee’s tasks involved in the sales process from the beginning through closing.

Students understand that:

- State and federal laws and regulations protect people from discrimination when they are renting or buying a home, getting a mortgage, seeking housing assistance, or engaging in other housing-related activities.
- The Fair Housing Act protects people from discrimination when they are renting or buying a home, getting a mortgage, seeking housing assistance, or engaging in other housing-related activities
- State and federal laws and regulations protect people from discrimination when they are renting or buying a home, getting a mortgage, seeking housing assistance, or engaging in other housing-related activities.
- Truth in advertising and accurate information is necessary in order for consumers to make informed purchases.
- The real estate industry encourages the highest level of ethics in business practice to promote and preserve the right to own, use, exchange, and transfer real property.
- To maintain their real estate licenses in the state(s) where they operate, agents and brokers need to participate in defined amounts of continuing education (CE) each year or recurring time period.
- A real estate transaction is a process that involves a multitude of activities and tasks that occur when a seller offers their home for sale, and a buyer agrees to purchase that property.

<table>

Key Vocabulary

federal rules, regulations, selling, buying, trust, escrow account, federal fair housing laws, Americans with Disabilities Act (ADA), Fair Housing Act, discrimination, harassment, complaint, false advertising, disabilities, intergenerational mobility, Equal Opportunity Act, wealth, equity, home appreciation, Fair Housing Act, false advertising, truth in advertising, provisions, ethics, protecting confidential information, do not call list, licensing, licensing requirements, continuing education (ce), agent, broker, appraiser, closing, appraisal, closing costs, property deed and title, down payment, home inspection, seller’s agent, buyer’s agent, offer, seller disclosure, escrow, foreclosure

Work-Based Learning, Simulated Work Experiences, and Experiential Learning:

Role play, guest speaker, job shadowing

CTSO Connection:

Prepare for FBLA and/or DECA competitive events.

Certification/Credential Connection:

Adobe Certified Associate (ACA) – Photoshop / Dreamweaver / Premier Pro / InDesign / Illustrator, ASK Institute – Concepts of Entrepreneurship and Management, ASK Institute- Fundamental Marketing Concepts, Certiport – Entrepreneurship and Small Business (must hold concentrator status), IC3 Global Standard 6 (or higher), Certified Guest Service Professional, National Retail Federation – National Professional Certification in Customer Service and Sales
Unit 5 Title: Customer and Client Service

Content Standards

13. Explain the difference between licensee and agency in real estate.
   13a. Describe the creation of agency and non-agency agreements.
   13b. Outline the duties involved in real estate agency.
       Examples: fiduciary responsibilities, traditional agency responsibilities, disclosure of conflict of interest
   13c. Contrast the roles of a buyer’s licensee and a seller’s licensee in real estate.

14. Determine and explain what sellers expect from the real estate licensee.
   Examples: adhering to time frames, guidance on pricing, assisting with paperwork and inspections, advertising, negotiating, preparing for the closing

15. Demonstrate ways licensees meet buyers’ needs, including assisting with price negotiations, completing paperwork, researching selling prices of comparable homes, determining the price range the client can afford to spend, and explaining financing options.

16. Explain the licensee’s role in disclosing problems that might be encountered during a sale and arranging for resolutions.

17. Demonstrate the process of showing properties, interviewing potential buyers before property showings, and obtaining necessary information from buyers before formulating a purchase offer for a property.

Unpacked Learning Objectives

Students know:

- The difference between licensee and agency in real estate.
- About the creation of agency and non-agency agreements.
- The duties involved in a real estate agency.
- The roles of a buyer’s licensee and a seller’s licensee in real estate.
- What sellers expect from the real estate licensee.
- The ways licensees meet buyers’ needs, including assisting with price negotiations, completing paperwork, researching selling prices of comparable homes, determining the price range the client can afford to spend, and explaining financing options.
- The licensee’s role in disclosing problems that might be encountered during a sale and arranging for resolutions.
- The process of showing properties, interviewing potential buyers before property showings, and obtaining necessary information from buyers before formulating a purchase offer for a property.
Students are able to:

- Examine state and federal rules and regulations that govern selling and buying real estate, including trust and escrow accounts, federal fair housing laws (protected classes, prohibited conduct, and exemptions) and the ADA (Americans with Disabilities Act).
- Gather information regarding the passage and implementation of the Fair Housing Act.
- Report information regarding the passage and implementation of the Fair Housing Act.
- Collect information about ways fair and equal access to housing affects intergenerational mobility, including quality of educational opportunities, access to jobs and economic opportunity, and the ability to build wealth through home equity and home appreciation.
- Interpret advertising regulations, including provisions regarding truth in advertising and fair housing issues.
- Apply technology ethically.
- Examine advanced licensing options and continuing education requirements for Realtors® in order to maintain professional license to do business.
- List the licensee’s tasks involved in the sales process from the beginning through closing.

Students understand that:

- A licensed real estate agent can gain access to the MLS, make the buying process easier, and help sellers get the best price for their homes.
- Pricing, receiving complete and accurate quotations, choosing the terms of the sale, and selecting the payment method are critical elements when purchasing real estate.

| Unit Driving/Essential Question | What are the roles of a buyer’s licensee and a seller’s licensee in real estate?  
How can a licensed real estate agent gain access to the MLS?  
What are the critical elements when purchasing real estate? |

Work-Based Learning, Simulated Work Experiences, and Experiential Learning:

Guest speaker

CTSO Connection:

Prepare for FBLA and/or DECA competitive events.

Certification/Credential Connection:

Adobe Certified Associate (ACA) – Photoshop / Dreamweaver / Premier Pro / InDesign / Illustrator, ASK Institute – Concepts of Entrepreneurship and Management, ASK Institute- Fundamental Marketing Concepts, Certiport – Entrepreneurship and Small Business (must hold concentrator status), IC3 Global Standard 6 (or higher), Certified Guest Service Professional, National Retail Federation – National Professional Certification in Customer Service and Sales
Unit 6 Title: Post-Contract Service

Content Standards
18. Describe the licensee’s responsibilities in coordinating the buyer’s professional home inspection with the seller.

19. Explain how to negotiate payments and to oversee completing required repairs on the seller’s behalf if needed.

20. Discuss the licensee’s responsibilities in preparing for closing, the actual closing, and tracking the loan process after the signing of a listing agreement.

21. Explain the importance for licensee follow-up after the closing to attempt to clarify and resolve conflicts with a dissatisfied buyer.

Unpacked Learning Objectives

Students know:
● The licensee’s responsibilities in coordinating the buyer’s professional home inspection with the seller.
● How to negotiate payments and to oversee completing required repairs on the seller’s behalf if needed.
● The licensee’s responsibilities in preparing for closing, the actual closing, and tracking the loan process after the signing of a listing agreement.
● The importance for licensee follow-up after the closing to attempt to clarify and resolve conflicts with a dissatisfied buyer.

Students are able to:
● Explain the licensee’s responsibilities in coordinating the buyer’s professional home inspection with the seller.
● Describe how to negotiate payments and to oversee completing required repairs on the seller’s behalf if needed.
● List the licensee’s responsibilities in preparing for closing, the actual closing, and tracking the loan process after the signing of a listing agreement.
● Discuss the importance for licensee follow-up after the closing to attempt to clarify and resolve conflicts with a dissatisfied buyer.

Students understand that:
● A licensed real estate agent can gain access to the MLS, make the buying process easier, and help sellers get the best price for their homes.
● There are programs that are designed to resolve disputes between buyers, sellers, and real estate brokers/salespeople.
