RE: FY 2022 General Purpose Financial Statements

The forms and instructions to be used in preparing Fiscal Year 2022 General Purpose Financial Statements (GPFS), which are due on or before November 1, 2022, are now available for download from the Alabama State Department of Education (ALSDE) website (www.alabamaachieves.org). **It is critical that all systems meet this deadline to enable the department to provide accurate data for state funding.** In addition to the printed copy of all statements, the required financial data file must be submitted.
