# AL - PowerSchool

## DECLARING PROGRAMS FOR SCHOOLS IN POWERSCHOOL

Declaring programs for school sites is performed at the individual school level in PowerSchool. There is not setup needed at the District Office site for program declarations.

1. Navigate to the school you wish to declare for in PowerSchool.

2. In the left set of screens, navigate to School under setup.

3. Under the Scheduling section, select 'Academic and Career Plan Programs'.
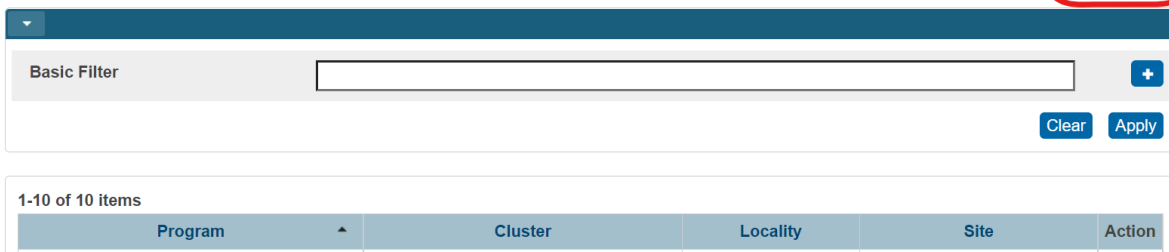

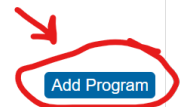

**Setup**

Early Warning System
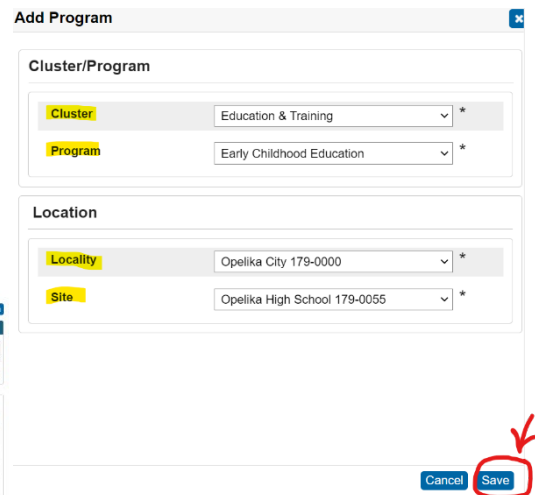

School

System

### Scheduling

| | |
|---|---|
| Academic and Career Plan Programs | Define Academic and Career Plan Programs for the school |
| Constraints | Define scheduling constraints for students. |
| Course Groups | Define course groups for use with Graduation Sets. |
| Courses | Manage information about individual courses active in this school. |

4. Click 'Add Program' in the top right of the page.

### Academic and Career Plan Programs

Add Program

| Basic Filter | | + |
|---|---|---|

Clear   Apply

**1-10 of 10 items**

| Program ▲ | Cluster | Locality | Site | Action |
|---|---|---|---|---|

5. On the Add Program flyout screen, add the appropriate cluster, program, locality, and site then click 'Save'.

6. Repeat the Add Program steps until you have all programs declared for this school site. Navigate to the next school you need to declare for and repeat all steps above.
