

Alabama Accountability Act (Alabama Act 2015-434)

Districts have been notified if they had at least one school identified as being in the bottom 6% of schools across the state based on state standardized assessments.

Schools that appear on this list should notify their parents by **April 7, 2023**, of this status.

Parents will have until **May 5, 2023**, to return a student transfer form to the local school system for the 2023-2024 school year. This will give districts and schools the opportunity to properly evaluate the potential impact of the student transfers on the educational services for that school year.

Questions concerning tax credit eligibility and scholarship opportunities should be directed to the Alabama Department of Revenue (ADOR) at 334-242-1170.
