ALABAMA STUDENTS APPLYING TO COLLEGE NEXT WEEK WITH NO FEES!

This Special Statewide Application Event is Being Held February 20 – 24, 2023

Montgomery, Ala. – Next week, high school students will have the opportunity to participate in our Spring 2023 College Application Campaign on February 20 – 24, 2023. This is an extension of the event that was held in October 2022 for thousands of high school seniors.

“During our college application campaign held in October, we had over 26,000 seniors across the state apply to colleges and universities. Due to the success of this campaign, colleges and universities have agreed to host another event for students” said Alabama College Application Campaign (ALCAC) Coordinator, Dr. Monica P. The Alabama College Application Campaign was started ten years ago to increase the number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The *Cash for College FAFSA initiative* and *Alabama College Application Campaign* were combined into a single campaign (*Alabama Goes to College*) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees.
