APPENDIX A
ADVANCEMENT AND TECHNOLOGY PLUS

The funds will be allocated based on a pro rata basis of each system's allocation in the 2020 PSCA bond issue, except where otherwise provided in this Act. The amount allocated to each LEA is attached to this Appendix. Funds will be automatically disbursed prior to the start of the school year. Fund source 1764 should be used to account for the revenue and expenditures associated with the funds. All funds should be expended by September 30, 2024.

These funds are allowed to be used as needed by school systems for the following purposes:

1. To help offset inflationary increases in capital projects and equipment costs initiated with 2020 PSCA bond funds
2. For school resource officers
3. Insurance
4. Other uses allowed with the Advancement and Technology Fund set out in Section 29-9-4, the *Code of Alabama, 1975* and include the following:
 - a. Repairs or deferred maintenance of facilities for public education purposes.
 - b. Classroom instructional support pursuant to *Code of Alabama*, Sections 16-13-231(b) (2) c and 16-13-231.3.
 - c. Insuring facilities.
 - d. Transportation pursuant to *Code of Alabama*, Section 16-13-233.
 - e. Purchase of education technology and equipment, or both.
 - f. School security measures as a component of a systemwide security plan.
 - g. Capital outlay.

If you have questions or need additional information, please contact Mrs. Sonja Peaspanen, Administration and Finance, at telephone number (334) 694-4832 or email at speaspanen@alsde.edu.

APPENDIX B

COLLEGE AND CAREER READINESS GRANTS

Act 2023-378 appropriated \$10,000,000 to be allocated in grants to support LEAs in closing the gap between Graduation Rates and College and Career Readiness. Additionally, Act 2023-279 appropriated an additional \$15,000,000. LEAs that have schools with a 15+ point gap will be given priority in the selection process. LEAs may apply for up to \$300,000 per high school to support efforts in closing the gap. Please click the link below for the application.

Before initiating this PowerForm, a best practice is to create a free DocuSign account (<https://www.docusign.com>). Doing this will allow you (the originator) to track the envelope as it progresses through each assigned recipient. The account creation **MUST** occur prior to starting the PowerForm for the FY23 College and Career Readiness Supplemental Appropriations.

<https://na4.docusign.net/Member/PowerFormSigning.aspx?PowerFormId=f0e7d837-d82c-4678-a067-d892e07b8851&env=na4&acct=0d0d5396-2e0a-4ad5-97e4-e591b723344b&v=2>

First, enter the name and email address of each person that will be assigned to one of the signing roles listed below. Then, click on the "Begin Signing" button. A window will appear with a message prompting you to enter the validation/access code. Please note that if you fail the authentication twice, the envelope will lock and you will need to contact Meagen Anthony-Rush (meagen.anthony@alsde.edu) to unlock the envelope. If you copy and paste the code, ensure that no extra spaces are copied and pasted into the textbox.

After the validation/access code has been verified, you will be prompted to continue to enter the information required to complete the form.

Once all the required fields have been completed, you will be prompted to click the "Finish" button. Upon clicking the "Finish" button, the envelope will automatically be sent to the next signer until all signatures have been collected. Please note that during the electronic signing process, all signers will receive an email inviting them to sign the document.

To track an envelope, you **MUST** have created a free DocuSign account **PRIOR** to the submission of the envelope. To check the status of an envelope, you will login to your DocuSign account. Access the "Manage" tab to track the envelope. It will show you the status of the envelope, such as whose signature has been collected and whose signature you may be waiting on.

College and Career Readiness Supplemental Appropriations

To facilitate the approval process for the College and Career Readiness funds, an application is required. Recommendations from the Offices of Student Learning and Career Technical Education have been provided below. However, particular focus should be given **to closing the gap between CCR and Graduation Rate grades**. Refrain from using these funds for personnel related efforts. If funded, an impact and expenditure report will be required.

Applications will be prioritized by those districts with 15+ point gaps between CCR and Graduation Rate on the Alabama Education Report Card. For additional information or questions, contact Mr. Sean Stevens, Instructional Services Coordinator, at sstevens@alsde.edu.

APPENDIX C
PREFUND CIS STUDENT MATERIALS

The supplemental allocation to prefund CIS student materials will be funded at \$430.85 per state-earned teacher unit for the 2023-2024 school year. The intent of these funds is to provide a portion of the student materials allotment prior to October 1. These funds must be made available to teachers when the school year begins and must be used 100% for in-classroom expenses. The balance of the \$1,000 per unit is allocated in your FY 2024 Foundation Program funding at the amount of \$569.15 per state-earned teacher unit.

Funds will be automatically disbursed prior to the start of the school year. Fund source 1767 should be used to account for the revenue and expenditures associated with the funds. All funds should be expended by September 30, 2024.

These funds are allowed to be used in the same manner as traditional student material funds appropriated annually as part of the Foundation Program allocation.

If you have questions or need additional information, please contact Ms. Alisa Benson (alisa.benson@alsde.edu) or Mrs. Sonja Peaspanen (speaspanen@alsde.edu).

Appendix D School Safety Grants

To facilitate the approval process for the School Safety Grant Supplemental funds, an application is required. The link to the application and allocation per district is included. Recommendations from the Safety Department and School Safety Task Force have been provided. Complete the attached application, outlining how you plan to use the funds. **Refrain from using these funds for personnel-related efforts.** Completed applications should be submitted no later than Friday, July 16, 2023, to the following email addresses: Dr. Autumm M. Jeter, Assistant State Superintendent for Support Services (autumm.jeter@alsde.edu) and Dr. Erica Butler, School Safety Education Specialist (erica.butler@alsde.edu). Notice of approved application will be provided within two weeks of the deadline.

Explicit Instructions for Completing the Grant Application

Before initiating this PowerForm, a best practice is to create a free DocuSign account (<https://www.docusign.com>). Doing this will allow you (the originator) to track the envelope as it progresses through each assigned recipient. The account creation MUST occur prior to starting the PowerForm for the FY23 School Safety Grant.

First, enter the name and email address of each person that will be assigned to one of the signing roles listed below. Then, click on the "Begin Signing" button. A window will appear with a message prompting you to enter the validation/access code. Please note that if you fail the authentication twice, the envelope will lock, and you will need to contact Meagen Anthony-Rush (meagen.anthony@alsde.edu) to unlock the envelope. If you copy and paste the code, ensure that no extra spaces are copied and pasted into the textbox. After the validation/access code has been verified, you will be prompted to continue to enter the information required to complete the form.

Once all the required fields have been completed, you will be prompted to click the "Finish" button. Upon clicking the "Finish" button, the envelope will automatically be sent to the next signer until all signatures have been collected. Please note that during the electronic signing process, all signers will receive an email inviting them to sign the document.

To track an envelope, you MUST have created a free DocuSign account PRIOR to the submission of the envelope. To check the status of an envelope, you will login to your DocuSign account. Access the "Manage" tab to track the envelope. It will show you the status of the envelope, such as whose signature has been collected and whose signature you may be waiting on.
