 ETF Appropriations Bill – Act 2023-379

Stephanie Bell
 District III

As provided in Alabama Act 2023-379, the state of Alabama will provide an annual supplement of \$5,000 (**base supplement**) to any National Board Certified Teacher (NBCT) who is properly certified and employed full-time in an Alabama public K-12 school. Although the teacher will receive a \$5,000 supplement, the district will receive \$6,000. The additional \$1,000 per teacher is designed to cover employer benefit costs associated with the supplement. Also, classroom teachers shall be eligible for an additional supplement of \$5,000 (**targeted supplement**) if they hold an instructional assignment in certain schools and hold a valid National Board Certification in certain subject areas. As in the case of the base supplement, an additional \$1,000 per teacher will be provided to cover the associated benefit costs.

Yvette M. Richardson, Ed.D.
 District IV

In order to prospectively implement the law, the Alabama State Department of Education (ALSDE) has prepared the following guidelines:
