GENERAL INFORMATION

This application is to be completed for individuals seeking a Speech-Language Pathology Temporary Certificate (SLTC) and **submitted by the employing county/city superintendent or administrator of an eligible nonpublic/private school** directly to the Educator Certification Section of the Alabama State Department of Education (ALSDE).

A complete application packet must be received in the Educator Certification Section. The Educator Certification Section is unable to determine eligibility for a SLTC until Form TSL and all required components have been received. **Applications will not be assigned to a certification specialist for review until at least a completed Form TSL, the \$38.00 nonrefundable application fee, and background clearance have been received.** The submission of supporting documents ONLY (e.g., official transcripts) does not constitute making application for certification. Applicants must meet all Alabama certification requirements in effect on the date that the application is received in the Educator Certification Section. Since certification requirements are subject to change, applicants may review current requirements at <https://www.alabamaachieves.org/> (click Teachers & Administrators ⇨ Teacher Center ⇨ Teacher Certification ⇨ Other Approaches-Speech-Language Pathology Temporary).

Incomplete forms will delay the review of the application packet. **APPLICATION FORMS AND SUPPORTING DOCUMENTS ARE NOT ACCEPTED BY FAX OR E-MAIL.** Additional documentation may be requested upon review of the file.

RECOMMENDATION

To be completed by the employing county/city superintendent or nonpublic/private school administrator.

I recommend this applicant for the SLTC.

My local board of education has authorized me to employ the individual for whom this application packet is being submitted, subject to the issuance of his/her SLTC. I understand that the SLTC will not be issued for the applicant until all eligibility requirements have been met and background clearance has been received.

I have checked the **current** Alabama State Department of Education (ALSDE) Departmental Portal to ensure that the applicant is properly certified for each period/block of the day. I understand this certificate authorizes the holder to serve only as a Speech-Language Pathologist in grades P-12 and is not proper certification for any other assignment.

I understand failure to assign the applicant properly will result in an out-of-field penalty assessment for the employing public school system.

I am verifying that a photocopy of this form, reflecting signatures, has been given to the applicant and I have reviewed this document in its entirety for all-inclusive information pertaining to this approach.
