EXPLICIT INSTRUCTIONS FOR COMPLETING THE GRANT APPLICATION

Before initiating the PowerForm, a best practice is to create a free DocuSign account (https://www.docusign.com). Doing this will allow the originator to track the envelope as it progresses through each assigned recipient. The account creation **MUST** occur prior to starting the PowerForm for the Fiscal Year 2024 Alabama Summer and Afterschool Program (ASAP) Grant.

First, enter the name and email address of each person who will be assigned to one of the signing roles. Once all names and emails are entered, click the “Begin Signing” icon. A new window will populate, and the application will show. Once all the required fields have been completed, a prompt to "Finish" will appear. Upon clicking the “Finish” button, the envelope will automatically be sent to the next signee until all signatures have been collected. Please note that during the electronic signing process, all signers will receive an email invitation to sign the document.

To track an envelope, a free or paid DocuSign account creation is necessary **prior** to the submission of the envelope. To check the status of an envelope, log in to the created DocuSign account. Access the “Manage” tab to track the envelope. It will show the status of the envelope, such as whose signature has been collected and whose signature is still needed.

For questions regarding the DocuSign process, please contact Mrs. Meagen Anthony-Rush at meagen.anthony@alsde.edu. For questions regarding the content of the grant application, please contact Ms. Karen Rutledge-Bell at krbell@alsde.edu.
