Section III

Pedagogical Assessments

For applications received in the Educator Certification Section of the ALSDE on September 1, 2018, and thereafter, the Educative Teacher Performance Assessment (edTPA) is the required pedagogical assessment for initial certification in those teaching fields for which an edTPA handbook has been developed.

For areas where an edTPA handbook has not been developed, the Principles of Learning and Teaching (PLT) is the required pedagogical assessment.

Neither edTPA nor PLT will be required if the individual holds a valid Alabama professional educator certificate in a teaching field.
