

## **GUIDE FOR CONDUCTING EDUCATOR ETHICS TRAINING**

There are three modules found on our website at <https://www.alabamaachieves.org/communication/legal/>. There is a PowerPoint presentation and video for each module. The modules are as follows:

- Module 1 Teacher-Student Personal Boundaries Video
- Module 2 Educator-Student interaction including the use of social media
- Module 3 Controlling and Reporting Borderline Behavior Video

Included on the webpage is an introductory video from Dr. Eric Mackey, State Superintendent of Education, a sign-in sheet, and an ethics discussion guide.

These materials are intended to be as flexible as possible. School systems can present all three modules or any of the individual modules alone. Also, the videos alone can be shown and participants encouraged to give their thoughts regarding them. The goal is to raise awareness about inappropriate teacher/student interactions in order to avoid them and/or to prevent the interactions to escalating to an inappropriate physical relationship.
